DATE: April 25, 2008

RECOMMENDATION:

It is recommended that the Board of Directors review and file the Finance Department status report for the week ending April 25, 2008.

BACKGROUND:

WATER AWARENESS

In conjunction with Water Awareness Month (May), staff is currently assisting in the preparation of a water conservation letter and water saving tips insert to go out to all customers as soon as possible. This letter emphasizes the fact that we are still in Phase 2 of the Drought Contingency Plan.

BEAR CREEK ESTATES WASTEWATER SYSTEM

Pursuant to a letter to Property Owners at Bear Creek Estates dated March 28, 2008, a Public Hearing will be held on May 15, 2008 to determine if there is approval of the proposed multi-year increase in wastewater rates.

NORMAL RECURRING DUTIES

Staff continues to provide excellent customer service and timely completion of all regular duties such as accounts payable processing, accounts receivable processing, billing, financial reporting, payroll, etc. These duties consume the bulk of the finance department's time, although we are always willing and ready to assist in other areas if asked.
