SUBJECT: ENGINEERING DEPARTMENT STATUS REPORT
DATE: May 29, 2008

RECOMMENDATION:

It is recommended that the Board of Directors review and file the Engineering Department status report for the week ending May 30, 2008.

BACKGROUND:

WESTERN STATES DRIVE MULTIPLE USER – ZAYANTE AREA

Staff has been working with the Operations Department to resolve a multiple user issue on Western States Drive in the Zayante Area. Staff is researching the ownership of a bridge on Western States Drive that crosses Zayante Creek. The Operations Department is considering extending a new water main across this bridge to serve the subject parcels.

SWEETWATER CREEK DIVERSION TO BROOKDALE TANK STUDY

Staff has prepared maps, including aerial photographs and contours data, from the Sweetwater Creek diversion to the Brookdale Tank for use by the Operations Department.

MANANA WOODS PIPELINE EASEMENTS

Staff is working with the Operations Department and property owners for the acquisition of several pipeline easements required for water system improvements in Manana Woods.

MANANA WOODS PUMP STATION PROJECT

Staff is preparing preliminary construction plans for the proposed Manana Woods Pump Station facility. Staff is also working with the environmental consultant to provide data and mapping for the report.
