

M E M O

TO: District Manager

FROM: GIS/Engineering Technician

SUBJECT: ENGINEERING DEPARTMENT STATUS REPORT
WEEK ENDING MARCH 27, 2009

DATE: March 27, 2009

RECOMMENDATION:

It is recommended that the Board of Directors review and file the Engineering Department status report for the week ending March 27, 2009.

BACKGROUND:

EGGLESON/AMOS ANNEXATION TO THE S.L.V. WATER DISTRICT

Staff is working with our surveyor to prepare a draft legal description and map for the Eggleston/Amos Annexation per LAFCO Resolution No. 927-EO. The annexation area is located along the southwest side of Quail Hollow Road from Eggleston Lane to East Zayante Road. The completed draft legal description and map will be submitted to LAFCO for review by the Santa Cruz County Surveyor's office.

BULL CREEK BRIDGE AND PIPELINE PROJECT

Our surveyor has field staked the ingress/egress and pipeline easement relate to the Project. This will allow for the relocation of a portion of the Bull Creek raw water line during construction.

VARIOUS PROJECTS

Staff is working to complete several meter reviews. Staff has also provided fire hydrant flow data for a project located in the Riverside Grove area.
