SUBJECT: ENGINEERING DEPARTMENT STATUS REPORT
WEEK ENDING APRIL 10, 2009

DATE: April 10, 2009

RECOMMENDATION:

It is recommended that the Board of Directors review and file the Engineering Department status report for the week ending April 10, 2009.

BACKGROUND:

EGGLESON/AMOS ANNEXATION TO THE S.L.V. WATER DISTRICT

Staff has received the draft legal description for the Eggleston/Amos Annexation from our surveyor. The annexation area is located along the southwest side of Quail Hollow Road from Eggleston Lane to East Zayante Road. Staff will be preparing the draft annexation map which will be submitted to LAFCO for review by the Santa Cruz County Surveyor's office.

AT&T UNDERGROUND CONDUIT PROJECT

Staff will be working with AT&T to provide water main location information for their underground conduit project. AT&T plans to install 2 – 4" conduits in the northbound lane of Highway 9 from Two Bar Road north to Highway 35. Operations Department staff will be assisting with the project by providing water meter locations along Highway 9.

VARIOUS PROJECTS

Staff is working to assist several customers to provide water system flow information for their fire sprinkler system installation projects.
