

MEMO

TO: District Manager

FROM: GIS/Engineering Technician

SUBJECT: ENGINEERING DEPARTMENT STATUS REPORT
WEEK ENDING MAY 1, 2009

DATE: April 30, 2009

RECOMMENDATION:

It is recommended that the Board of Directors review and file the Engineering Department status report for the week ending May 1, 2009.

BACKGROUND:

EGGLESON/AMOS ANNEXATION TO THE S.L.V. WATER DISTRICT

Staff is creating the required mapping for the Eggleston/Amos Annexation. The annexation area is located along the southwest side of Quail Hollow Road from Eggleston Lane to East Zayante Road. The completed draft annexation map will be submitted to LAFCO for review by the Santa Cruz County Surveyor's office.

AT&T UNDERGROUND CONDUIT PROJECT

Staff provided AT&T the necessary mapping for their underground conduit project. AT&T plans to install 2 – 4" conduits in the northbound lane of Highway 9 from Two Bar Road north to Highway 35. Operations Department staff assisted with the project by providing water meter locations along Highway 9.

VARIOUS PROJECTS

Staff is working to assist several customers and their contractors to provide water system flow information for their domestic water meters and fire sprinkler system installation projects. Staff is adding the Felton water system information to the 800 Scale Water Distribution System Map.
