SUBJECT: ENGINEERING DEPARTMENT STATUS REPORT
WEEK ENDING August 14, 2009

DATE: August 13, 2009

RECOMMENDATION:

It is recommended that the Board of Directors review and file the Engineering Department status report for the week ending August 14, 2009.

BACKGROUND:

FELTON WATER TREATMENT FACILITY DRAWINGS

Staff is working to provide the consulting Engineers with digital versions of the Felton Water Treatment Facility for their use.

PROPOSED LOT SUBDIVISION AND MAIN EXTENSION – LOCKWOOD LANE AREA

Staff has provided the Owner/Developer's Engineer with digital versions of our Standard Details for use in their construction plans. The proposed project would create 6 new lots and the owner would install approx. 550' of 6" water main and 2 fire hydrants to District standards.

VARIOUS PROJECTS

Staff is working to assist several customers and their contractors to provide water system flow information for their domestic water meters and fire sprinkler system installation projects. Staff is adding the Felton water system information to the 800 Scale Water Distribution System Map.
