

MEMO

TO: District Manager

FROM: Engineering/GIS Department

SUBJECT: ENGINEERING DEPARTMENT STATUS REPORT
WEEK ENDING JANUARY 29, 2010

DATE: January 27, 2010

RECOMMENDATION:

It is recommended that the District Manager review and file the Engineering Department status report for the week ending January 29, 2010.

BACKGROUND:

CAMP CAMPBELL FACILITIES IMPROVEMENT PROJECT

The contractor has completed connecting the new section of 8" water main to the existing system. The new section of main is now in service.

EGGLESON/AMOS ANNEXATION PROJECT.

Staff has been notified by LAFCO that the annexation process is complete and the proposed area along Quail Hollow Road has been added to the SLVWD service area.

LONE PINE LANE 6" MAIN EXTENSION – SCOTTS VALLEY SYSTEM

The contractor is scheduling the removal of an existing structure located on the Project site. Once this is completed he will continue with the installation of the final section of 6" water main.

VARIOUS PROJECTS

Staff is working with the Finance Manager to complete the addition of parcel number and pressure zone information for the Felton area customer database. Staff is continuing work on the Water Distribution System GIS Project.

Rob Menzies
GIS/Engineering Technician
