

MEMO

TO: District Manager

FROM: Engineering/GIS Department

SUBJECT: ENGINEERING DEPARTMENT STATUS REPORT
WEEK ENDING MARCH 12, 2010

DATE: March 11, 2010

RECOMMENDATION:

It is recommended that the District Manager review and file the Engineering Department status report for the week ending March 12, 2010.

BACKGROUND:

FELTON AREA METER LOCATIONS MAPPING

Staff is working with the Operations Department to provide mapping that will be used in the field during their investigation of the meter locations in the Felton Water System. The location of each meter will be marked on the map and this information will then be added to the Water Distribution System GIS.

CAMP CAMPBELL IMPROVEMENT PROJECT

Staff has been notified by the contractor that the hot-tap for the fire/domestic water service to the new maintenance building will be installed next week.

VARIOUS PROJECTS

Staff is working with Customer Service on several multiple user account upgrades as well meter relocation requests. Staff is continuing work on the Water Distribution System GIS Project and the 800 Scale Water Distribution System Map.
