

MEMO

TO: District Manager

FROM: Engineering/GIS Department

SUBJECT: ENGINEERING /GIS DEPARTMENT STATUS REPORT
WEEK ENDING JULY 9, 2010

DATE: July 8, 2010

RECOMMENDATION:

It is recommended that the District Manager review and file the Engineering/GIS Department status report for the week ending July 9, 2010.

BACKGROUND:

8" WATER MAIN REPLACEMENT PROJECT – STATE HIGHWAY 9 AT MADRONA RD.

Staff has been working with the Operations Department in the preparation of construction plans for replacement of a section of 8" water main damaged during boring for the AT&T 4" conduit.

CAMP CAMPBELL IMPROVEMENT PROJECT

Staff has been notified by the utility contractor that they are ready to proceed with construction of the 8" water main for the 'Redwood Village' portion of the project. Staff will meet with the contractor tomorrow to verify the materials delivered match the approved submittals. The 8" hot tap is scheduled for Monday morning.

VARIOUS PROJECTS

Staff is working with several customers on their requests for meter relocations. Staff is also working with several customers on their domestic meter upgrade/fire services as well as several requests for new service.
