

**SAN LORENZO VALLEY WATER DISTRICT
NOTICE OF INTENT TO ADOPT A
MITIGATED NEGATIVE DECLARATION**

Title: San Lorenzo Valley Water District's Campus Development Project

Location: Approximately 1.7 acre site located on the east side of Highway 9 between Mountain and Flat Streets in the unincorporated community of Boulder Creek, Santa Cruz County.

Project Description: Consolidate the operations of three existing SLVWD facilities on one site. This includes combining five contiguous parcels, remodeling an existing commercial building for a new administration building and adding a new annex, constructing a new operations building, and developing associated parking and storage areas.

Applicant: San Lorenzo Valley Water District

Lead Agency: San Lorenzo Valley Water District

Agency Contact Person: James Mueller, District Manager (831) 430-4625

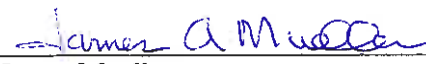

Document Type: CEQA – Initial Study/Mitigated Negative Declaration

Location Where Document Can Be Obtained: SLVWD Offices: 13060 Highway 9, Boulder Creek

Notice is hereby given that the project described above has been reviewed in accordance with the State of California Public Resources Code and the California Environmental Quality Act. Based on this review, a Mitigated Negative Declaration is hereby made on this project. This determination was established based on evidence that the project would not result in significant adverse impacts to the environment. Public comments regarding the correctness, completeness, or adequacy of this Mitigated Negative Declaration can be forwarded to the SLVWD at the address provided below. Written comments can be submitted on or before the close of the 30-day public review period to the following:

James Mueller
13060 Highway 9
Boulder Creek, CA 95006

Public Review Period: Start Date: November 23, 2010 Ending Date: December 22, 2010
