Dear Jim,

How did the time go by so quickly? You've got some exciting things happening with Felton water. Good luck with all of it!!

It's **River and Road Clean-up** time again. The 19th annual Clean-up will take place on Saturday, October 8th, starting at 9 a.m. at the usual three locations: Boulder Creek's recycling center (behind the Village Wash & Dry), at the corner of Hwy 9 and Fillmore in Ben Lomond, and at the Grocery Outlet in Felton. We are again seeking the co-sponsorship of the Water District for the event and hope that, as in the past, the District will be able to provide a dump truck and driver and co-worker to help haul the trash and recyclable materials to the Transfer Station. The truck will not be needed before 11 a.m. that day, and should be done before the closing of the dump at 3:30 p.m. It will haul everything from Boulder Creek, and help the County truck with Ben Lomond. As in the past, the County will also provide a truck and driver, as well as waiving dump fees.

Would you be so kind as to pass on this request to the Board of Directors? We are grateful for this contribution to the Clean Up; it wouldn't be possible otherwise.

We hope all the Water District staff and Board members will join in the clean-up this year; please encourage them to do so! I'll send a flyer when they are ready. We sure need more ADULT volunteers!

Thank you for your on-going support for the Clean Up!

Sincerely,

Nancy B. Macy, Director
