Dear Mr. Mueller:

A quorum representing over half the total membership of the Olympia Mutual Water Company was present at the annual meeting of the corporation held on Sunday, June 25th, 2006. At that meeting, a unanimous motion instructed the Board of Directors of OMWC to begin the process of joining OMWC with the San Lorenzo Valley Water District.

This letter is a formal request by the Olympia Mutual Water Company to be annexed by the San Lorenzo Valley Water District, and a request that your organization work with us to provide the necessary infrastructure upgrades required for OMWC to connect to your system.

We hope your Board of Directors will approve this request, and we look forward to working with your team as this project moves forward.

Sincerely yours,

OLYMPIA MUTUAL WATER COMPANY
