

## MEMO

TO: District Manager

FROM: GIS/Engineering Technician

SUBJECT: ENGINEERING DEPARTMENT STATUS REPORT  
WEEK ENDING SEPTEMBER 11, 2009

DATE: September 10, 2009

### **RECOMMENDATION:**

It is recommended that the Board of Directors review and file the Engineering Department status report for the week ending September 11, 2009.

### **BACKGROUND:**

#### **CAMP CAMPBELL FACILITIES IMPROVEMENT PROJECT**

Staff is working to provide technical support to the project Architect/Engineer's consultant for the relocation of an 8" water main that crosses a small creek located on the Camp property. Staff is reviewing the preliminary construction plans that have been submitted.

#### **WHISPERING PINES DRIVE, SCOTTS VALLEY, ROADWAY IMPROVEMENTS**

Staff is working with the Operations Dept. and the Public Works Dept., City of Scotts Valley, on the Whispering Pines Transportation Enhancement Project. The City of Scotts Valley will be installing a concrete sidewalk along the west side of Whispering Pines Dr. from Lundy Lane to Estrella Drive. They will also be widening the roadway (where necessary) to allow for bike lane striping on both sides from Mt. Hermon to Estrella Drive.

#### **VARIOUS PROJECTS**

Staff is working to assist several customers and their contractors to provide water system flow information for their domestic water meters and fire sprinkler system installation projects. Staff is working to complete the Water Distribution System Map for release to the Operations Dept.
