

## M E M O

TO: Board of Directors

FROM: District Manager

SUBJECT: INVESTMENT REPORT PERIOD ENDING DECEMBER 31, 2005

DATE: February 10, 2006

### **RECOMMENDATION:**

It is recommended that the Board of Directors review and file this report.

### **BACKGROUND:**

At the December 15, 2004 Board of Directors Meeting your Board adopted Resolution No. 17 (05-06) which established an Investment Policy for the San Lorenzo Valley Water District. The Investment Policy and California Government Code, Section 53646, states that the Board of Directors shall receive investment reports at least quarterly.

Attached are account statements for the period ending December 31, 2005 from the District's Local Agency Investment Fund (LAIF) Account (See Attachment 1) and Morgan Stanley Investment Account (See Attachment 2).

It is recommended that the Board of Directors review and file this report.

Repurchase Agreements, Time Deposits, AB 55 & General Fund loans, and Reverse Repurchase agreements are carried at portfolio book value (carrying cost).

The value of each participating dollar equals the fair value divided by the amortized cost (.997562079). As an example: if an agency has an account balance of \$20,000,000.00, then the agency would report its participation in the LAIF valued at \$19,951,241.58 or \$20,000,000.00 x .997562079.

*Enclosed with your December Statement is FYI 2006, our annual resource with information about account and service fees, compensation you pay us and we pay our Financial Advisors, a summary of amendments to the Active Assets Account Client Agreement and Margin Agreement, and more. You can also access FYI 2006 online, at [www.morganstanley.com/online](http://www.morganstanley.com/online).*

*If your investment objectives or financial situation has changed, or if you wish to impose any reasonable restrictions on the management of your account or reasonably modify existing restrictions, please call your Financial Advisor. For a copy of our Disclosure Document for Morgan Stanley DW Inc., please send a written request to Morgan Stanley, Consulting Services Group, 2000 Westchester Blvd., 2nd Floor, Purchase, NY 10577.*

*Consolidated Statement of Financial Condition (in thousands of dollars):*

*At November 30, 2005, Morgan Stanley DW Inc. had net capital of \$1,106,300, which exceeded the SEC's minimum requirement by \$1,025,002. A copy of the Morgan Stanley DW Inc. Consolidated Statement of Financial Condition at November 30, 2005 can be viewed online at the Morgan Stanley Web site [http://www.morganstanley.com/about/ir/shareholder/morganstanley\\_dw\\_inc.pdf](http://www.morganstanley.com/about/ir/shareholder/morganstanley_dw_inc.pdf), or may be mailed to you at no cost by calling toll free 1 (866) 279-4498, after Feb. 14, 2006.*

*Disclosure information of our execution and routing practices is also available to you. Quarterly reports that identify the top venues, as defined in the applicable SEC rule, where orders were routed and additional order-routing details are available on [morganstanley.com](http://morganstanley.com) and by request. You may request specific order-routing and execution information, including the identity of the marketplace where your orders were routed for execution, whether your orders were directed or non-directed and the time of the execution, if any. This information can be obtained by calling your Financial Advisor.*

*If you have a Margin Account, securities purchased on margin are the firm's collateral for the loan to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan. As a result, the firm can take action - such as issue a margin call and/or sell securities or other assets in any of your accounts held with the firm - in order to maintain the required level of equity in the account.*

*Margin involves a high degree of risk and market conditions can magnify any potential loss. It is important that you fully understand the risks involved in trading securities on margin. These risks include the following: You can lose more funds than you deposit in the margin account. The firm can force the sale of securities or other assets in your account(s). The firm can sell your securities or other assets without contacting you. You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call. The firm can increase its "house" maintenance margin requirements at any time and is not required to provide you advance written notice. You are not entitled to an extension of time on a margin call.*

*If you have any questions or require more information, please contact your Financial Advisor.*

## GAIN AND LOSS SUMMARY

*The Estimated Gain and Loss information is provided for informational purposes only and may not be relied upon in making any tax, accounting or regulatory filing or report. We recommend that you contact your tax advisor to determine the appropriate information to be used in the preparation of your tax return. This Estimated Gain and Loss Summary is not a substitute 1099 form (or any other appropriate tax form) and should not be filed with your taxes. The figures should be independently verified. Estimated Gain and Loss information does not take into account a taxpayer's particular circumstances such as the existence of hedging transactions, constructive sales or marked-to-market pricing adjustments on certain options held at year-end.*

*Please note that although Morgan Stanley DW Inc. makes every effort to adjust the cost basis for such securities' capital changes, it does not adjust the cost basis for all events, including amortization of non-municipal bond premiums; exercise of unlisted stock options; securities deemed to have been sold and simultaneously repurchased; receipt of cash in lieu of fractional shares; or the net effect of wash sales and/or short sales against the box.*

*For securities not purchased through Morgan Stanley DW Inc., for example, securities purchased elsewhere and later transferred to it, any data included in the Estimated Gain and Loss information has been provided either by you or another financial institution. Whether provided by you, another financial institution or Morgan Stanley DW Inc., it is your responsibility to ensure the accuracy of all of the Estimated Gain and Loss information. Please contact your Financial Advisor with any questions or to correct any information.*

*For Managed Futures and alternative investments, there are likely to be restrictions on redemptions, please see applicable offering document.*

*With respect to estimated gains and losses for listed equity options, Morgan Stanley has taken into account option premiums paid or received and, in respect to multiple purchases and/or sales, calculated cost using an average unit price for all like positions. Morgan Stanley has made calculations using what appear to be off-setting positions; no assurance can be given that these positions are intended to off-set each other or that they are not intended to off-set other securities positions, in which case the analysis may be different. Morgan Stanley has obtained pricing information from independent sources it believes to be reliable. No assurance can be given that the values given are accurate. Values are subject to change and are as of a given point in time only. Past performance does not guarantee future returns.*

*This summary is not part of your account statement. It is for information purposes only and should not be used for tax preparation.*

## Errors & Inquiries

If you do not understand an entry on your statement or suspect an error, it is essential that you immediately contact the manager of the office servicing your account or, if you have a self-directed account, please call 800-688-6896. We will consider your statement correct unless we receive a written inquiry from you about the suspected error within 10 calendar days from the day on which you received your statement. It is your responsibility to review your statement promptly and to seek immediate clarification about entries that you do not understand.

## SIPC Protection

Securities and cash held in Morgan Stanley accounts are protected up to their full net equity value by a combination of coverage provided by the Securities Investor Protection Corporation ("SIPC") a non-profit organization created by an Act of Congress and additional protection purchased from a private insurer by Morgan Stanley (the "Excess Coverage"). SIPC protects up to \$500,000 of each customer's securities of which up to \$100,000 may be uninvested cash. Excess Coverage provides additional protection up to the full net equity value of each account including unlimited coverage for uninvested cash. SIPC and Excess Coverage apply only to securities and cash in the exclusive possession and control of Morgan Stanley and do not protect against losses due to market fluctuations. Detailed information is available upon request.

## Transaction Dates

All transaction dates on this statement are the transactions' settlement dates. In the case of unsettled trades, we list the trade date instead of settlement date with a notation that the trade is unsettled.

## Pricing of Securities

The prices of securities displayed on your statement are derived from various sources and in some cases may be higher or lower than the price that you would actually receive in the market. For securities listed on an exchange or trading continually in an active marketplace, the price reflects the market quotations at the close of your statement period. The prices of securities not actively traded may not be available. These are indicated by "N/A" (not available).

For bonds trading less frequently, we rely on outside pricing services or a computerized pricing model, which cannot always give us actual market values. Similarly, some annuity values provided by outside sponsors are estimates.

The amounts on this statement for limited partnerships are typically obtained from a third party or from the investments' general partners unless Morgan Stanley DW Inc. has obtained other information such as an independent appraisal. Since many partnership valuations are provided only annually, they do not always represent current values.

Furthermore, limited partnerships and non-traded *Real Estate Investment Trusts* (REITs) are illiquid and have no public markets, so the amounts shown on this statement may not equal the amounts you would receive if you sold your investment.

The value of mutual fund shares is determined by multiplying the Net Asset Value (NAV) by the number of shares or units held as reported to Morgan Stanley DW Inc. by the correspondent custodian. If we cannot obtain a price or estimate, "N/A" appears.

For more detailed current information on prices, speak to your Financial Advisor or, if you have a self-directed account, please call 800-688-6896.

## Account Valuation

This figure represents the approximate value of your account on a settlement date basis and is computed by adding (1) the market value of all priced positions and (2) market values provided by pricing services and correspondent custodians for other positions; and by adding any credit or subtracting any debit to your closing cash or money market balance. Please note, this valuation may be adjusted for the net change in priced asset values for securities held or for the net change in money market balances in your account during the statement period. Your closing cash and/or money market balance represents the cash and/or money market funds available in your account and reflects the net month end balance of all deposits, credits and debits (including checking and MasterCard activity in Active Assets accounts).

## Margin Privileges (not available for IRAs or retirement accounts)

If you have applied for margin privileges and have been approved, you may borrow money from Morgan Stanley DW Inc. in exchange for pledging assets in your account as collateral for any outstanding margin loan. The amount you may borrow is based on the value of the eligible securities in your margin account, which are identified by an asterisk (\*) on your statement.

## Margin Interest Charges

We calculate interest charges on margin loans as follows:

- (1) Multiply the applicable margin interest rate times the average daily balance of your margin loan.
- (2) Multiply the result of Step (1) times the number of days your loan was outstanding.
- (3) Divide the result of Step (2) by 360 (days).

We add the accrued interest to your debit balance and start a new calculation each time the applicable interest rate changes and at the close of every statement month.

## Availability of Free Credit Balances and Financial Statements

Under the customer protection rules of the SEC [17 CFR §240.15c3-2 & -3], Morgan Stanley DW Inc. may use free credit balances in your account which are payable to you on demand, in the ordinary course of its business. We send summary Morgan Stanley DW Inc. financial statements to you semiannually; copies are also available on request, by mail.

## Taxes

Under Federal Income Tax law, we are required to report the gross proceeds of sales transactions, entering into short sales and redemptions done in your account. Although your statement may describe certain items as (federally) tax-free, this is for information purposes only; when reporting your taxes please rely exclusively on the 1099 forms you will receive at the end of the year. (For IRAs, 1099s report distributions from the account rather than income or proceeds from sales.) Federal law subjects you to penalties and withholding if you fail to provide us with your Social Security or Tax ID Number.

## Listed Options

Information with respect to commissions and to other charges related to the execution of options transactions has been included in confirmations of such transactions previously furnished to you. A summary of such information will be made available to you promptly at your request.

## Estimated Annual Income and Yields

Estimated annual income and yields are calculated by annualizing the most recent distribution and do not reflect historic experience or projected future results. Since the rates are subject to change at any time, they should not be entirely relied on for making investment or trading decisions. You are advised to consult with your Financial Advisor before making decisions. Your Financial Advisor will be able to assist you with accurate up-to-date information so that you can make an informed decision. If you have a self-directed account, please call 800-688-6896.

## Accrued Bond Interest YTD

This figure represents the taxable accrued interest received on bond sale transactions and credited to your account during the calendar year. As required by law, Morgan Stanley DW Inc. will report to the Internal Revenue Service the total year-to-date figure indicated on the last statement you receive for the calendar year.

## Dividend/Interest (Month/YTD)

These figures represent dividends and/or interest on securities received by Morgan Stanley DW Inc. and credited to your account during the calendar year. As required by law, Morgan Stanley DW Inc. reports taxable dividends and bond interest credited to your account to the Internal Revenue Service. The totals reported are indicated as the year-to-date figures on the last statement for the calendar year. In the case of REITs, Real Estate Limited Partnerships and Regulated Investment Company Unit Investment Trusts, the Sponsor may reclassify income and return of principal into a different ratio for the prior year.

## Certain Assets Not Held at Morgan Stanley DW Inc.

You may purchase certain assets through Morgan Stanley DW Inc. which will be held at a custodial institution other than Morgan Stanley DW Inc. Assets held in custodial positions are not covered by SIPC protection. Where available, we include information about these assets on your Morgan Stanley DW Inc. statement. The custodial institution is responsible for providing year-end tax reporting (1099s) and separate periodic statements, which may vary from our information due to different reporting periods. In the case of Morgan Stanley, Van Kampen and external networked mutual funds, Morgan Stanley DW Inc. will provide all year-end tax reporting (1099's). In the case of IRA accounts, Morgan Stanley DW Inc. performs all tax reporting.
