## GAIN AND LOSS SUMMARY

The Estimated Gain and Loss information is provided for informational purposes only and may not be relied upon in making any tax, accounting or regulatory filing or report. We recommend that you contact your tax advisor to determine the appropriate information to be used in the preparation of your tax return. This Estimated Gain and Loss Summary is not a substitute 1099 form (or any other appropriate tax form) and should not be filed with your taxes. The figures should be independently verified. Estimated Gain and Loss information does not take into account a taxpayer's particular circumstances such as the existence of hedging transactions, constructive sales or marked-to-market pricing adjustments on certain options held at year-end.

Please note that although Morgan Stanley DW Inc. makes every effort to adjust the cost basis for such securities' capital changes, it does not adjust the cost basis for all events, including amortization of non-municipal bond premiums; exercise of unlisted stock options; securities deemed to have been sold and simultaneously repurchased; receipt of cash in lieu of fractional shares; or the net effect of wash sales and/or short sales against the box.

For securities not purchased through Morgan Stanley DW Inc., for example, securities purchased elsewhere and later transferred to it, any data included in the Estimated Gain and Loss information has been provided either by you or another financial institution. Whether provided by you, another financial institution or Morgan Stanley DW Inc., it is your responsibility to ensure the accuracy of all of the Estimated Gain and Loss information. Please contact your Financial Advisor with any questions or to correct any information.

For Managed Futures and alternative investments, there are likely to be restrictions on redemptions, please see applicable offering document

With respect to estimated gains and losses for listed equity options, Morgan Stanley has taken into account option premiums paid or received and, in respect to multiple purchases and/or sales, calculated cost using an average unit price for all like positions. Morgan Stanley has made calculations using what appear to be off-setting positions; no assurance can be given that these positions are intended to off-set each other or that they are not intended to off-set other securities positions, in which case the analysis may be different. Morgan Stanley has obtained pricing information from independent sources it believes to be reliable. No assurance can be given that the values given are accurate. Values are subject to change and are as of a given point in time only. Past performance does not guarantee future returns.

This summary is not part of your account statement. It is for information purposes only and should not be used for tax preparation.

It is your responsibility to review your statement promptly and to seek immediate clarification about entries that you do not understand. | Margin Interest Charges | We calculate interest charges on margin loans as follows: <br> (1) Multiply the applicable margin interest rate times the average daily balance of your margin loan. <br> (2) Multiply the result of Step (1) times the number of days your loan was outstanding. <br> (3) Divide the result of Step (2) by 360 (days). |

| SIPC Protection | Securities and cash held in Morgan Stanley accounts are protected up to their full net equity value by a combination of coverage provided by the Securities |  |  |
|  | Investor Protection Corporation ("SIPC") a non-profit organization created by an Act of Congress and additional protection purchased from a private insurer by Morgan Stanley (the "Excess Coverage"). SIPC protects up to $\$ 500,000$ of each customer's securities of which up to $\$ 100,000$ may be uninvested cash. Excess Coverage provides additional protection up to the full net equity value of each account including unlimited coverage for uninvested cash. SIPC and Excess | Availability of Free Credit Balances and Financial Statements | Under the customer protection rules of the SEC [17 CFR §240.15c3-2 \& -3], Morgan Stanley DW Inc. may use free credit balances in your account which are payable to you on demand, in the ordinary course of its business. We send summary Morgan Stanley DW Inc. financial statements to you semiannually: copies are also available on request, by mail. |
|  | Coverage apply only to securities and cash in the exclusive possession and control of Morgan Stanley and do not protect against losses due to market fluctuations. Detailed information is available upon request. | Taxes | Under Federal Income Tax law, we are required to report the gross proceeds of sales transactions, entering into short sales and redemptions done in your account. Although your statement may describe certain items as (federally) taxfree, this is for information purposes only: when reporting your taxes please rely exclusively on the 1099 forms you will receive at the end of the year. (For IRAs, 1099s report distributions from the account rather than income or proceeds from sales.) Federal law subjects you to penalties and withholding if you fail to provide us with your Social Security or Tax ID Number. |
| Transaction Dates | All transaction dates on this statement are the transactions' settlement dates. In the case of unsettled trades, we list the trade date instead of settlement date with a notation that the trade is unsettled. |  |  |
| Pricing of Securities | The prices of securities displayed on your statement are derived from various sources and in some cases may be higher or lower than the price that you would |  |  |
|  | actually receive in the market. For securities listed on an exchange or trading continually in an active marketplace, the price reflects the market quotations at the close of your statement period. The prices of securities not actively traded may not be available. These are indicated by "N/A" (not available). | Listed Options | Information with respect to commissions and to other charges related to the execution of options transactions has been included in confirmations of such transactions previously furnished to you. A summary of such information will be made available to you promptly at your request. |
|  | For bonds trading less frequently, we rely on outside pricing services or a computerized pricing model, which cannot always give us actual market values. Similarly, some annuity values provided by outside sponsors are estimates. | Estimated Annual Income and Yields | Estimated annual income and yields are calculated by annualizing the most recent distribution and do not reflect historic experience or projected future results. Since the rates are subject to change at any time, they should not be entirely relied on for making investment or trading decisions. You are advised to consult with your Financial Advisor before making decisions. Your Financial Advisor will be able to assist you with accurate up-to-date information so that you can make an informed decision. If you have a self-directed account, please call 800-688-6896. |
|  | The amounts on this statement for limited partnerships are typically obtained from a third party or from the investments' general partners unless Morgan Stanley DW Inc. has obtained other information such as an independent appraisal. Since many partnership valuations are provided only annually, they do not always represent current values. |  |  |
|  | Furthermore, limited partnerships and non-traded Real Estate Investment Trusts (REITs) are illiquid and have no public markets, so the amounts shown on this statement may not equal the amounts you would receive if you sold your investment. | Accrued Bond Interest YTD | This figure represents the taxable accrued interest received on bond sale transactions and credited to your account during the calendar year. As required by law, Morgan Stanley DW Inc. will report to the Internal Revenue Service the total year-to-date figure indicated on the last statement you receive for the calendar year. |
|  | The value of mutual fund shares is determined by multiplying the Net Asset Value (NAV) by the number of shares or units held as reported to Morgan Stanley DW |  |  |
|  | Inc. by the correspondent custodian. If we cannot obtain a price or estimate, "N/A" appears. | Dividend/Interest (Month/YTD) | These figures represent dividends and/or interest on securities received by Morgan Stanley DW Inc. and credited to your account during the calendar year. As required by law, Morgan Stanley DW Inc. reports taxable dividends and bond interest credited to your account to the Internal Revenue Service. The totals reported are indicated as the year-to-date figures on the last statement for the calendar year. In the case of REITs, Real Estate Limited Partnerships and Regulated Investment Company Unit Investment Trusts, the Sponsor may reclassify income and return of principal into a different ratio for the prior year. |
|  | For more detailed current information on prices, speak to your Financial Advisor or, if you have a self-directed account, please call 800-688-6896. |  |  |
| Account Valuation | This figure represents the approximate value of your account on a settlement date basis and is computed by adding (1) the market value of all priced positions and (2) market values provided by pricing services and correspondent custod- |  |  |
|  | ians for other positions: and by adding any credit or subtracting any debit to your closing cash or money market balance. Please note, this valuation may be adjusted for the net change in priced asset values for securities held or for the net change in money market balances in your account during the statement period. Your closing cash and/or money market balance represents the cash and/or money market funds available in your account and reflects the net month end balance of all deposits, credits and debits (including checking and MasterCard activity in Active Assets accounts). | Certain Assets Not Held at Morgan Stanley DW Inc. | You may purchase certain assets through Morgan Stanley DW Inc. which will be held at a custodial institution other than Morgan Stanley DW Inc. Assets held in custodial positions are not covered by SIPC protection. Where available, we include information about these assets on your Morgan Stanley DW Inc. statement. The custodial institution is responsible for providing year-end tax reporting (1099s) and separate periodic statements, which may vary from our information due to different reporting periods. In the case of Morgan Stanley, Van Kampen and external networked mutual funds, Morgan Stanley DW Inc. will provide all year-end tax reporting (1099's). In the case of IRA accounts, Morgan |
| Margin Privileges (not available for IRAs or retirement accounts) | If you have applied for margin privileges and have been approved, you may borrow money from Morgan Stanley DW Inc. in exchange for pledging |  |  |

The amount you may borrow is based on the value of the eligible securities in your margin account, which are identified by an asterisk (*) on your statement. | Client's Investment Objectives and Financial Situation | It is essential to advise your Financial Advisor or for self-directed accounts, call 800-688-6896, immediately if there is a material change in your investment objectives or financial situation. |
