Special District Chairperson
Santa Cruz County, California

Re: Nomination and Appointment of Alternate to County Treasury Oversight Commission.

Dear Chairperson,

There is currently a vacancy on the Santa Cruz County Treasury Oversight Commission. This is the commission that provides oversight of the adopted investment policies, and other oversight tasks as set forth in the California Revenue and Taxation Code.

As is the custom, I would appreciate it if you and your colleagues at the various Special Districts, would consult with one another, and forward a name or two to me for consideration for appointment as the Alternate for Special Districts on the Santa Cruz County Treasury Oversight Commission.

It would also be appreciated if you would forward such names to me prior to the end of August.

Thank you and your colleagues for your dedicated and good work on behalf of the people of Santa Cruz County.

Sincerely,

FRED KEELEY
Treasurer
