TO: District Manager

FROM: Director of Operations

SUBJECT: Operations Department Project Status Report
Week Ending July 5, 2006

DATE: June 29, 2006

RECOMMENDATION:

It is recommended that the District Manager review and file the Operations Department Project Status Report for the week ending June 30, 2006.

BACKGROUND:

Manana Woods

The reporting period consisted of Water Consultation and water meter installations in the Manana Woods Water system. To date 82 consultations have been completed and staff is working close behind installing new water meters with 20 consultations outstanding. Water Quality staff is spending time familiarizing themselves with the water treatment process gearing up for the July 01, 2006 change of ownership. In addition staff is working locating areas that improvement in water pressure and flow is warranted. Staff met with representatives of the Scotts Valley Fire Protection District centering on areas with fire hydrants in short supply and areas with insufficient fire flow.
