

M E M O

TO: District Manager

FROM: Director of Operations

SUBJECT: Operations Department Project Status Report
Week Ending May 26, 2006

DATE: May 26, 2006

RECOMMENDATION:

It is recommended that the District Manager review and file the Operations Department Project Status Report for the week ending May 26, 2006.

BACKGROUND:

Facility Maintenance

Staff continued to performing routine maintenance in regards to painting interior plumbing at multiple facilities through out the distribution system. In addition staff performed roof inspections to several water storage tanks throughout the distribution system.

Manana Woods

District Staff have moved into Manana Woods preparing for the July 1 2006 change of ownership. During the reporting period staff started cleaning water storage tank. In addition Water Consultations started with customers in preparation for changing out water meters.

Blackstone Booster

During the reporting period staff continued with the Blackstone Booster replacement project. Installation of SCADA equipment was performed at the tank site. The tank site will be powered by solar panels and batteries and send all signals by radio.

Rick Rogers
Director of Operations
