

M E M O

TO: District Manager

FROM: Director of Operations

SUBJECT: Operations Department Project Status Report
Week Ending May 12, 2006

DATE: May 12, 2006

RECOMMENDATION:

It is recommended that the District Manager review and file the Operations Department Project Status Report for the week ending May 12, 2006 .

BACKGROUND:

Facility Maintenance

Staff continued to performing routine maintenance in regards to painting interior plumbing at multiple facilities through out the distribution system. In addition staff performed roof inspections to several water storage tanks throughout the distribution system.

Manana Woods

Staff continued moving forward with preparation for operations of the Manana Woods Water system. Staff placed an 8' X 20' metal storage container in the Manana Woods area for material housing and are moving supplies do to the area.

Water Main Leaks

The District is experiencing an abnormal amount of main leaks during the reporting. Staff repairs seven main leaks and two main breaks. The increase in water main leaks are attributed to the recent heavy rains which resulted in ground movement damaging facilities.
