TO: District Manager

FROM: Director of Operations

SUBJECT: Operations Department Project Status Report
Week Ending April 14, 2006

DATE: April 13, 2006

RECOMMENDATION:

It is recommended that the District Manager review and file the Operations Department Project Status Report for the week ending April 14, 2006 .

BACKGROUND:

Meter Change Over Program

During the reporting period staff continued with the meter change out program in the North Boulder Creek area. Meters are being changed out system wide due to age.

Zayante School Road Water Main Replacement

During the reporting period staff completed the 560 lineal feet six-inch waterline, fire Hydrant, and water service on Zayante School Road. This work is to provide fire flow to an area where a home was destroyed by fire.

Facility Maintenance

Staff performed maintenance in regards to painting interior plumbing at multiple facilities through out the distribution system.

Manana Woods

Staff continued moving forward with preparation for operations of the Manana Woods Water system. Staff prepared additional mainline flushing plans, and prepared meter routes.
