The San Lorenzo Valley Water District has a system in place so that residents and businesses can be notified of general information or local emergencies with a voice message, email or text. This can vary from a past due payment alert, main break or other emergencies. You may choose any or all of the options. We are able to add and update resident and business contact information at any time. This is a private listing, your information will not be shared with any other entities. Please fill out the information below.
