San Lorenzo Valley Water District Grant Funding

Potential Grant/Loan Program	General Project Description	Plain Description	Planning	Submission Year (Jan-Dec)	Funding Source/cost	Award Date	Funding Reimbursed (Yes=Yes)	Funding Pursued	Work Order #	Grant Type	Status	Rate Completion	Comments
Cal-OES Community Power Resiliency Allocation (Formerly Known as PSPS)	Permanent undergrounding, hardened overhead lines, changeable microgrids, fire-safe power shutoff equipment, and wildfire risk reduction	Undergrounding and Hardening	Yes	2020	$ 500,000.00			$20,000.00		Hard Project	Complete	Ongoing	Undergrounding and Hardening
Coastal Conservancy's Wildfire Resilience Grant Program	Fuel reduction around critical water infrastructure	Fuel reduction	Yes	2021	$ 350,000.00			$50,000.00	3310	Opex	Complete	5/2021	Fuel reduction around Felton Tank
Cal-FIRE - California Forest Improvement Program	Creation of Water Management Plan	Water Management Plan	Yes	2019	$ 8,250.00			$ 8,250.00	3410	Opex	Complete	5/2021	Water Management Plan for Felton Diversion
Wildlife Conservation Board - Fisheries Restoration Grant	Comprehensive Plan &, Design	Water Rights	Yes	2017	$ 100,000.00			$45,000.00	3411	Opex	Complete	6/2021	Awarding Plan Development
Department of Water Resources - Integrated Regional Water Management	Decatur Road Community Outreach	Decatur Road Community Outreach	Yes	2021	$ 47,000.00			$ 47,000.00	N/A	Opex	Complete	8/2021	
Department of Water Resources - Integrated Regional Water Management (IRWM) Implementation Grant	Water Master Plan	Water Master Plan	Yes	2019	$ 80,000.00			$ 80,000.00	3510	Capex	Complete	?	
Santa Cruz Resource Conservation District Watershed Management Grant	All in one for SCWD	Covid	Yes	2021	$175,152.00			$ 43,788.00	N/A	Opex	Complete	?	
Cal-FIRE - Forest Health Grant	Fuel reduction around critical water infrastructure and high-risk communities	Fuel reduction	Yes	2021	$ 400,000.00	7/30/2021	N/A	$ 100,000.00	N/A	Opex	Secured	Pending	Secured through Bill Ford - Santa Cruz Forestry Agreement/Vertical Fuels
Department of Water Resources - Small Community Drought Relief Program	Interties to smaller communities in Felton area (Forest Check or Glen)	Forest Springs and Brackley Area	Yes	2021	$ 1,300,000.00			$ 650,000.00	3517	Capex	Secured	Pending	Re-application submitted/Additional application September 2021. Secured funding for 1/3 of it
Cal-FIRE - Fire Prevention Grant	Fuel reduction around critical water infrastructure and hardening/upsizing mainlines	Fuel reduction	Yes	2022	$500,000.00			$ 1,500,000.00	N/A	Opex	Secured	Pending	Applications are due February 2022. Without Congressional $ it will not
SWIFT-SCU's Intercommunity Drought Relief Grant	Retrofitting to Advanced Tanks	Tank Replacement	Yes	2023	$4,500,000.00	8/31/2023	$ 450	$ 2,250,000.00	N/A	Opex	Secured		Applications accepted on rolling basis. Most competitive this round. Will apply for more
Influences of Permanent Hydrological Changes on Coho Salmon	Retrofitting to AMI Meters	Meters	Yes	2022	$ 600,000.00			$ 300,000.00	3420	Opex	Secured		Awarded 50% ($150 k match)
Santa Cruz Integrated Regional Water Management (IRWM) Region Grant	Hardening pumphouse structures	Hardent Structures	Yes	2022	$ 500,000.00			$ 250,000.00	N/A	Opex	Secured		Awarded in May 2022
California Department of Fish and Wildlife - Watershed Restoration Grant Program (Prop 1)	Fuel Load: Fire Ladder: conservation, stream flow, and habitat for critical riffle, roads	Fish Dwell Fish Ladder	Yes	2022	$1,140,400.00			$ 650,000.00	4720	Opex	Secured		Application due March 7th, 2022. Budget is $1,140,400 for all work items. Targeting 2
SWIFT-Sustainable Groundwater Management Grant Program	Conjunctive Use Plan (1% cost-screened feasibility Study, and fresh water fill stations.	Water Rights and Supply	Yes	2022	$0.00		N/A	$ 725,000.00	N/A	Opex	Planning		Board Approved. Coordinate Joint Meeting to submit on 3/23/2022. Application due 4/27/22.
Coastal Conservancy's Wildfire Resilience Grant Program	Fuel reduction around critical water infrastructure	Fuel reduction	Yes	2022	$0.00		N/A	$ 300,000.00	N/A	Opex	Not awarded		Pre-application submitted in January 2022. Invited to submit Grant/CCC for detailed application package. Targeting/Likelihood
Cal-OES Powerlifelegislation.com Program	Retrofitting reinforced and fire-safe tanks in high-risk areas. Three tanks along Santa Cruz pipeline. Hardening of critical water infrastructure	Tank Replacement Hardened Water Pipe	Yes	2022	$0.00		N/A	$ 2,000,000.00	N/A	Opex	Planning		Notice of Intention due February 2022. Direct Targeting 10 million
USDA Community Wildfire Defense Grant Program	Fuel reduction around critical water infrastructure	Fuel reduction	Yes	2023				TBD	N/A	Opex	Planning		Applied to the Grant Division 3.0 - waiting to see if funding for fuel reduction at...
FEMA Hazard Mitigation Grant Program	Consideration of Forest Springs and Brackley Area	Survey how many homes were vintage cables, and upgrades/ hardened systems.	Yes	2023				TBD	N/A	Opex	Planning		Submit planning/funding to bring Forest Springs & Bracken Brae sewer up to current code compliance prior to annexation into SLVWD
					$11,140,400.00		$ 450	$20,625,038.00					
					*Estimated Maximum Value			*Actual Value TBD
