

### BOARD OF DIRECTORS SAN LORENZO VALLEY WATER DISTRICT REGULAR MEETING AGENDA MAY 2, 2024

MISSION STATEMENT: Our Mission is to provide our customers and future generations with reliable, safe, and high-quality water at an equitable price; to create and maintain outstanding service and community relations; to manage and protect the environmental health of the aquifers and watersheds; and to ensure the fiscal vitality of the San Lorenzo Valley Water District.

Notice is hereby given that a regular meeting of the Board of Directors of the San Lorenzo Valley Water District will be held on <u>Thursday</u>, <u>May 2</u>, <u>2024</u>, <u>at 5:30 p.m.</u>, at the Board Conference Room, 12788 Hwy. 9, Boulder Creek and 377 Del Mar Point, Sea Ranch, CA and via videoconference and teleconference. <u>Open Session will begin at 6:30 p.m.</u>

Any person in need of any reasonable modification or accommodation to participate in the meeting may contact the District Secretary's Office at (831) 430-4636 a minimum of 72 hours before the scheduled meeting.

This meeting is being conducted as an in-person meeting under the Brown Act, Government Code section 54953, and a quorum of the Board must participate from the location(s) within the District that are identified above. Members of the public may attend the meeting at the identified location(s). Teleconferencing/videoconferencing access as set forth below is being provided as a convenience only and is not guaranteed. The meeting may continue in person even if teleconferencing/videoconferencing capability is disrupted or unavailable.

To join the meeting click the link below, or type it into your web browser.

Agenda documents are available on the District website at <a href="www.slvwd.com">www.slvwd.com</a> subject to staff's ability to post the documents before the meeting.

Convene Meeting/Roll Call

### Changes to Closed Session Agenda:

Additions to the Agenda, if any, may only be made in accordance with California Government Code Section 54954.2 (Ralph M. Brown Act) which includes, but is not limited to, additions for which the need to take action is declared to have arisen after the agenda was posted, as determined by a two-thirds vote of the Board of Directors (or if less than two-thirds of the members are present, a unanimous vote of those members present).

### 3. Oral Communications Regarding Items in Closed Session:

This portion of the agenda is reserved for Oral Communications by the public for items which are on the Closed Session portion of the Agenda. Any person may address the Board of Directors at this time, on Closed Session items. Normally, presentations must not exceed three (3) minutes in length, and individuals may only speak once during Oral Communications. No actions may be taken by the Board of Directors on any Oral Communications presented; however, the Board of Directors may request that the matter be placed on a future agenda. Please state your name and town/city of residence at the beginning of your statement for the record.

### 4. Adjournment to Closed Session

At any time during the regular session, the Board may adjourn to Closed Session in compliance with, and as authorized by, California Government Code Section 54956.9 and Brown Act, Government Code Section 54950. Members of the public will be given the opportunity to address any scheduled item prior to adjourning to closed session.

### PUBLIC EMPLOYEE MID-TERM PERFORMANCE EVALUATION Government Code section 54957 Title: Interim District Manager

If necessary the Board of Directors may re-adjourn to Closed Session after the Open Session in order to complete the Closed Session agenda items, as allowed by the Brown Act and the District's Board Policy Manual, Section 9.A. All public comments regarding Closed Session items will be taken right after the meeting starts at 5:30 p.m.

### **Closed Session Note:**

The Brown Act prohibits the disclosure of confidential information acquired in a closed session by any person present and offers various remedies to address willful breaches of confidentiality. These include injunctive relief, disciplinary action against an employee, and referral of a member of the legislative body to the grand jury. It is incumbent upon all those attending lawful closed sessions to protect the confidentiality of those discussions. Only the legislative body acting as a body may agree to divulge confidential closed session information; regarding attorney/client privileged communications, the entire body is the holder of the privilege and only a majority vote of the entire body can authorize the waive of the privilege.

- 5. Re-Convene Meeting 6:30 p.m./Roll Call
- 6. Report of Actions Taken in Closed Session

### 7. Changes to the Agenda:

Additions to the Agenda, if any, may only be made in accordance with California Government Code Section 54954.2 (Ralph M. Brown Act) which includes, but is not limited to, additions for which the need to take action is declared to have arisen after the agenda was posted, as determined by a two-thirds vote of the Board of Directors (or if less than two-thirds of the members are present, a unanimous vote of those members present).

### 8. Oral Communications:

This portion of the agenda is reserved for Oral Communications by the public on any subject that lies within the jurisdiction of the District and is <u>not</u> on the agenda. Any person may address the Board of Directors at this time. Normally, presentations must not exceed three (3) minutes in length, and individuals may only speak once. Please understand that the Brown Act limits what the Board can do regarding issues not on the agenda. No action or discussion may occur on issues outside of those already listed on today's agenda. Any Director may request that a matter raised during Oral Communication be placed on a future agenda.

- 9. Unfinished Business: None
- 10. New Business:
  - MONTHLY FINANCE REPORT
     Presentation by the Interim Finance Director of the Monthly Finance Report.
  - GLEN ARBOR BRIDGE CHANGE ORDERS
     Discussion and possible action by the Board regarding change orders for the Glen Arbor Bridge project.
  - BRACKEN BRAE AND FOREST SPRINGS CONSOLIDATION PROJECT SCOPE
     Discussion and possible action by the Board regarding the Bracken Brae and Forest Springs project scope.

### 11. Consent Agenda:

The Consent Agenda contains items that are considered to be routine in nature and will be deemed adopted by unanimous vote if no Director or member of the public states an objection. Any item on the consent agenda will be moved to the regular agenda upon request.

a. BOARD MEETING MINUTES 4.18.24

### 12. District Reports:

No action will be taken and discussion may be limited at the Chairperson's discretion. The District encourages that questions be submitted in writing (<a href="mailto:bod@slvwd.com">bod@slvwd.com</a>) on items listed in the District Reports. Questions submitted, if any, will be posted in the next available District Reports, along with a reply.

- GENERAL MANAGER SUPPLEMENTAL REPORT Update on current projects
- COMMITTEE REPORTS
  - Future Committee Agenda Items
  - Committee Meeting Notes/Minutes
    - Budget & Finance Committee Minutes 4.10.24
    - Engineering & Environmental Committee Minutes 4.16.24
    - Administration Committee Minutes 4.17.24
- Written Communication:
   Letter to Board from D. Loewen 4.3.2024
- 14. Informational Material: None
- 15. Adjournment

### **Certification of Posting**

I hereby certify that on April 26, 2024, I posted a copy of the foregoing agenda in the outside display case at the District Office, 13060 Highway 9, Boulder Creek, California, the SLVWD Boardroom, 12788 Highway 9, Boulder Creek and 377 Del Mar Point, Sea Ranch, CA, said time being at least 72 hours in advance of the meeting of the Board of Directors of the San Lorenzo Valley Water District (Government Code Section 54954.2).

Executed at Boulder Creek, California on April 26, 2024.

Holly B. Hossack, District Secretary

### **MEMO**

**DATE:** May 2, 2024

**TO:** Board of Directors, San Lorenzo Valley Water District

**FROM:** Brian Frus, Interim General Manager

**SUBJECT:** Monthly Finance Report - February 2024

WRITTEN BY: Heather Ippoliti, Consultant (RGS)

PRESENTED BY: Heather Ippoliti, Consultant (RGS)

### STAFF RECOMMENDATION

It is recommended that the Board of Directors receive the Monthly Finance Report for February 2024.

### RECOMMENDED MOTION

None

### BACKGROUND

This report contains financial information as of and for the eight-month period ending February 29, 2024. Some highlights include:

- The cash balance totals \$16,453,484 of which 51% is restricted.
- With 66% of the fiscal year elapsed, the District has received 65% of the budgeted revenue (5% greater than last fiscal year) and spent 64% of the budgeted expense (3% greater than last fiscal year).
- The District has spent \$11.5 million of the \$27.1 million capital budget funded with debt proceeds, fire surcharge funds, grants, and reserves.

 During the current fiscal year, the District has received \$659,741 in fire surcharge revenue, and has spent \$38,718 in CZU Fire related expenses.
 The amount reserved for CZU Fire related expenses as of February 28, 2024, is \$584,066.

• As of February 29, 2024, the unspent debt proceeds totaled \$7,302,856.

### PRIOR COMMITTEE ACTION

None

### FISCAL IMPACT

The report is informational only and has no fiscal implications.

### **ENVIRONMENTAL IMPACT**

Pursuant to Title 14, the California Code of Regulations, Section 15302(c) of the California Environmental Quality Act ("CEQA") guidelines, the proposed action is an administrative activity of the District that will not result in direct or indirect physical changes to the environment.

### **ATTACHMENTS**

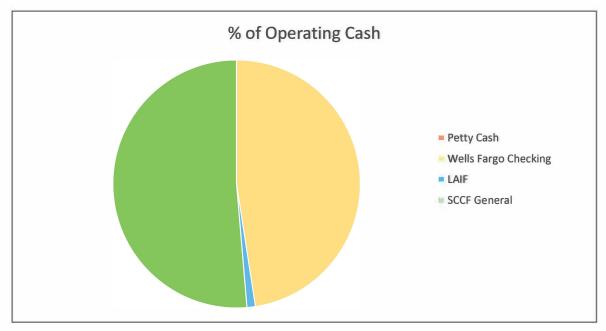

- 1. Cash Balance Report
- 2. Statements of Revenue & Expenses Budget to Actual
- 3. Capital Expenses by Funding Source
- 4. Fire Surcharge
- 5. Unspent Bond Proceeds

### **Cash Balances as of**

### **MEMO**

**DATE:** May 2, 2024

TO: Board of Directors, San Lorenzo Valley Water District

**FROM:** Brian Frus, Interim General Manager

**SUBJECT:** Contract Change Orders - Glen Arbor Bridge Pipeline Project

**WRITTEN BY:** Garrett Roffe, Engineering Manager

PRESENTED BY: Garrett Roffe, Engineering Manager

### STAFF RECOMMENDATION

The Board of Directors directs the Interim General Manager to execute Contract Change Orders 1 through 12 for payment to Monterey Peninsula Engineering (MPE) as part of the District's Glen Arbor Bridge Pipeline project.

### RECOMMENDED MOTION

The Board Directs the Interim General Manager to execute Contract Change Orders 1 through 12 for payment to Monterey Peninsula Engineering for the Glen Arbor Bridge Pipeline project for \$123,158, increasing the not to exceed contract amount from \$320,500 to \$443,658.

### BACKGROUND

On January 20, 2022, the Board awarded the Glen Arbor Bridge Mainline Pipe Replacement Project to Monterey Peninsula Engineering for the bid for \$320,500. The project replaces the leaking 6-inch water main crossing the Glen Arbor Bridge (south) at Highway 9. Rather than attempt to replace

the main in its existing alignment through the box girder; plans were developed to suspend the new main alongside the bridge structure; below the existing walkway on the north side of the bridge. This was done to both reduce costs and simplify permitting through Santa Cruz County and Caltrans.

### CCO 1 - Avoid Existing Utilities in Highway 9

An unmarked fiber optic cable in Highway 9 was avoided by the Contractor by using additional 8-inch ductile iron fittings. The additional work was tracked on Daily Extra Work Reports for a payment adjustment at an agreed sum of \$4,176.

### CCO 2 - Additional Fittings for Alignment at Bridge Retaining Wall

Project plans show 45 and 15-degree fittings and an expansion joint flexed 15 degrees on each end. A response to request for information provided a revised alignment, straightens out the expansion joint, and utilizes additional 45 and 22.5-degree fittings. The additional work was tracked on Daily Extra Work Reports for a payment adjustment at the agreed sum of \$5,554.

### CCO 3 - Additional Fittings to Make Bridge Radius

Project plans indicated the new pipeline shall follow the bridge radius by beveling the pipe. It was not possible to bevel the ductile iron pipe while maintaining proper connections. Extra fittings were ordered and installed to follow the bridge radius. The additional work was tracked on Daily Extra Work Reports resulting in a payment adjustment at an agreed sum of \$3,033.

### CCO 4 - Remove and Replace Fittings at Bridge East Side Flextend

Project plans show 45-degree fittings for the expansion joints at the east side of the bridge. The Contractor had to remove the installed 45-degree fittings and install new 22.5-degree fittings to make the transition to the bridge abutment. The additional work was tracked on the Daily Extra Work Report for a payment adjustment at the agreed sum of \$4,345.

### CCO 5 - Air Release Valve Materials

Project plans detail the air release valve (ARV) with an enclosure to be mounted on the side of the bridge deck. The specified ARV enclosures would not work properly for the bridge application and were returned to the manufacturer. Substitute custom-made ARV enclosures were ordered but ultimately were removed from the project and were not returnable. The Contractor delivered the custom enclosures to the District and submitted the material costs for a payment adjustment at the agreed sum of \$4,325.

### CCO 6 - 1-Inch Water Service

An existing water service was discovered at the tie-in location on the east side of the bridge. The Contractor supplied and installed a new 1-inch water service to the new water main. The additional work was tracked on the Daily Extra Work Report for a payment adjustment at the agreed sum of \$4,742.

### CCO 7 - Anchor Bolt Testing

The Contractor supplied anchor bolt pull testing in conformance with the response to a request for information. The additional work was tracked on the Daily Extra Work Report for a payment adjustment at the agreed sum of \$7,700.

### CCO 8 - Pedestrian Guardrail

The Contractor supplied and installed a pedestrian guardrail to prevent access underneath the bridge per District direction. The additional work was submitted for a payment adjustment at the agreed sum of \$850.

### CCO 9 - Slurry Backfill

The Contractor supplied and installed a slurry backfill instead of native backfill where underground utilities were under hardscape per District direction. The additional work was submitted for a payment adjustment at the agreed sum of \$11,517.

### CCO 10 - DVE Traffic Camera Install

The Contractor supplied and installed a camera system for the traffic light as required by Caltrans and directed by the District. The Contractor included a credit of \$3,500 for the cost of the traffic loops that were not allowed to be installed. The additional work was submitted for a payment adjustment at the agreed sum of \$17,695.

### CCO 11 - Malfunctioning Valve on AC Line

The Contractor attempted to abandon the existing pipeline but was not able to cut and plug the existing pipe due to a malfunctioning valve on Highway 9. Eventually, the existing pipeline was shut down and the work proceeded. The additional work was tracked on the Daily Extra Work Report for a payment adjustment at the agreed sum of \$9,779.

### CCO 12 - Investigate the Water Line in Highway 9

After the landslide occurred on Highway 9, near Highlands Park, the Contractor assisted the District with locating existing water lines for

shutdown. The additional work was tracked on the Daily Extra Work Report for a payment adjustment at the agreed sum of \$49,442.

### **ENVIRONMENTAL REQUIREMENTS**

Pursuant to Title 14, the California Code of Regulations, Section 15302(c) of the California Environmental Quality Act ("CEQA") guidelines, the proposed action is an administrative activity of the District that will not result in direct or indirect physical changes to the environment.

### PRIOR COMMITTEE ACTION

None

### FISCAL IMPACT

The amount of the original contract, change orders to date and the new change orders requested in this memo are summarized in the table below.

Summary Table	
Original Contract	\$320,500
Contingency	\$0
Approved Change Orders to Date	\$0
New Change Orders (CCOs 1 through 12)	\$123,158
Total Contract with Change Orders	\$443,658
Percent Increase	38%

The total cost of the change orders to MPE is \$123,158. Based on current year-to-date expenses, there are sufficient funds in the project budget to cover all the proposed increases. Thus, no budget amendment is required.

### **ATTACHMENTS**

- 1. PCCO 001.01 Avoid Existing Utilities in Highway 9
- 2. PCCO 003.01 Install 2 Each 45s Out of Wall to Make Angle
- 3. PCCO 004.01 Install Fittings to Make Radius Under Bridge
- 4. PCCO 005.01 Remove 45 and Re-Install 22.5 on Flex Tend East
- 5. PCCO 007.00 ARV Materials
- 6. PCCO 008.01 New 1-Inch Water Service
- 7. PCCO 009.01 Anchor Bolt Pull Testing
- 8. PCCO 010.00 Pedestrian Guard Rail
- 9. PCCO 011.00 Slurry Backfill
- 10. PCCO 012.00 DVE Traffic Camera Install
- 11. PCCO 013.01 Bad Valve on Ac Line
- 12. PCCO 014.01 Investigate Missing Water Line on Hwy 9

January 5, 2024

**San Lorenzo Valley Water District** 13060 Hwy 9. Boulder Creek, CA 95006

Re: Glen Arbor Bridge Pipeline Replacement - PCCO #001.01 – AVOID EXISTING UTILITIES IN HIGHWAY 9

Install 8" fittings to avoid unforeseen fiber optic line located on highway 9.

Contract Change order

Total Add: \$4,175.55

Contract Time Extension

**Total Days: 1 Calendar day** 

### M.P.E. specifically excludes the following items:

- Engineering, permits, and/or fees, other than included in original Contract
- All bonds, as-builts, and/or construction staking, other than included in original Contract
- All construction testing, other than included in original Contract
- SWPPP installation and/or maintenance, other than included in original Contract
- Any items not specifically listed above

Please review the above proposal and, if acceptable, issue a change order for the work described. If you have any questions, please feel free to contact me by phone at (831) 277-4191, or by email at <a href="mailto:peterbmpe@gmail.com">peterbmpe@gmail.com</a>.

Sincerely,

Peter Bruno

### Glen Arbor ARV enclosure/plates non returnable

Peter Bruno <peterbmpe@gmail.com>
To: Steve Yazalina <syaz@sandis.net>
Cc: Joshua Wolff <iwolff@slvwd.com>

Mon, Sep 19, 2022 at 5:51 PM

Steve,

Please see the following timeline of events regarding the ARVs/mounting plates:

- 1. MPE received the 2 original ARV enclosures per design (are being returned but are not typically returnable)
- 2. 8/5 MPE Submitted RFI 7 regarding the ARV style not functioning properly as designed
- 3. 8/8 RFI 7 was responded to, accepting a new design for ARV enclosure with the additional plate design to secure the ARV enclosure to the bridge.
- 4. 8/9 Quotes requested from vendors
- 5. 8/19 Custom ARVs and plates were ordered (not returnable)
- 6. 8/30 RFI 13 sent regarding ARV locations needing confirmation.
- 7. 8/30 RFI 13 responded to directing MPE to use 1 ARV in the high point (one ARV was omitted)
- 8. 9/9 Estimated delivery date for ARV enclosures provided by our supplier was 2-3 weeks out
- 9. 9/9 RFI sent regarding the need for the ARV enclosure. Reason: Possible removal would help reduce potential cost of waiting for materials to arrive (bridge unit rental cost)
- 10. 9/9 RFI responded to, directing MPE the removal of the ARV enclosure and modify ARV
- 11. 9/13 ARV modified to no longer need enclosure
- 12. 9/14 Bridge walker unit was taken off rent
- 13. 9/16 ARV enclosures delivered to yard and plates arrived early

Based on the information we had at the time, the materials were predicted to come in much later than they did. It was a surprise to all of us that materials came in so soon. MPE's suggestion to remove the enclosure was based on information that the material would be arriving in 2-3 weeks and the district would have incurred high rental fees in addition to the ARVs/plates. Had we known they were so close to arriving, MPE would have suggested installing the ARVs per RFI 7 and only charge for the couple extra days of bridge rental fees.

After some discussion, our supplier is willing to take the original ARV enclosures back (as a favor). Unfortunately, they will not accept returns on the custom plates or the alternate ARV enclosures. These materials will need to be paid for by the district as part of the ARV change order. A ballpark number for the materials is around \$3,500 + markup.

Please feel free to give me a call to discuss.

Thank you,

### INFORMATION / CLARIFICATION REQUESTED

The ARV enclosure specified on the plans will not work properly for the bridge application. If installed per plan, the bottom panel and side door would swing open (while the box is anchored) and wouldn't be able to shut without a bridge inspection unit. Please see the suggested ARV enclosure type attached. Please advise if the suggested type will be suitable. If it is considered suitable, please specify what modifications would be required (closed bottom, mounting brackets, etc.).

Good Morning MPE Team,

Per the districts direction please re-configure the ARV per the attached sketch (page 2), as well as eliminating the need for the enclosure.

Kindest regards,

Steve

	INCREASE IN COST	\$	-		INCREASE IN TIME	# of Days =	0					
	DECREASE IN COST	\$	-		DECREASE IN TIME	# of Days =	0					
X	TO BE DETERMINED			X	TO BE DETERMINED							

### INFORMATION / CLARIFICATION REQUESTED

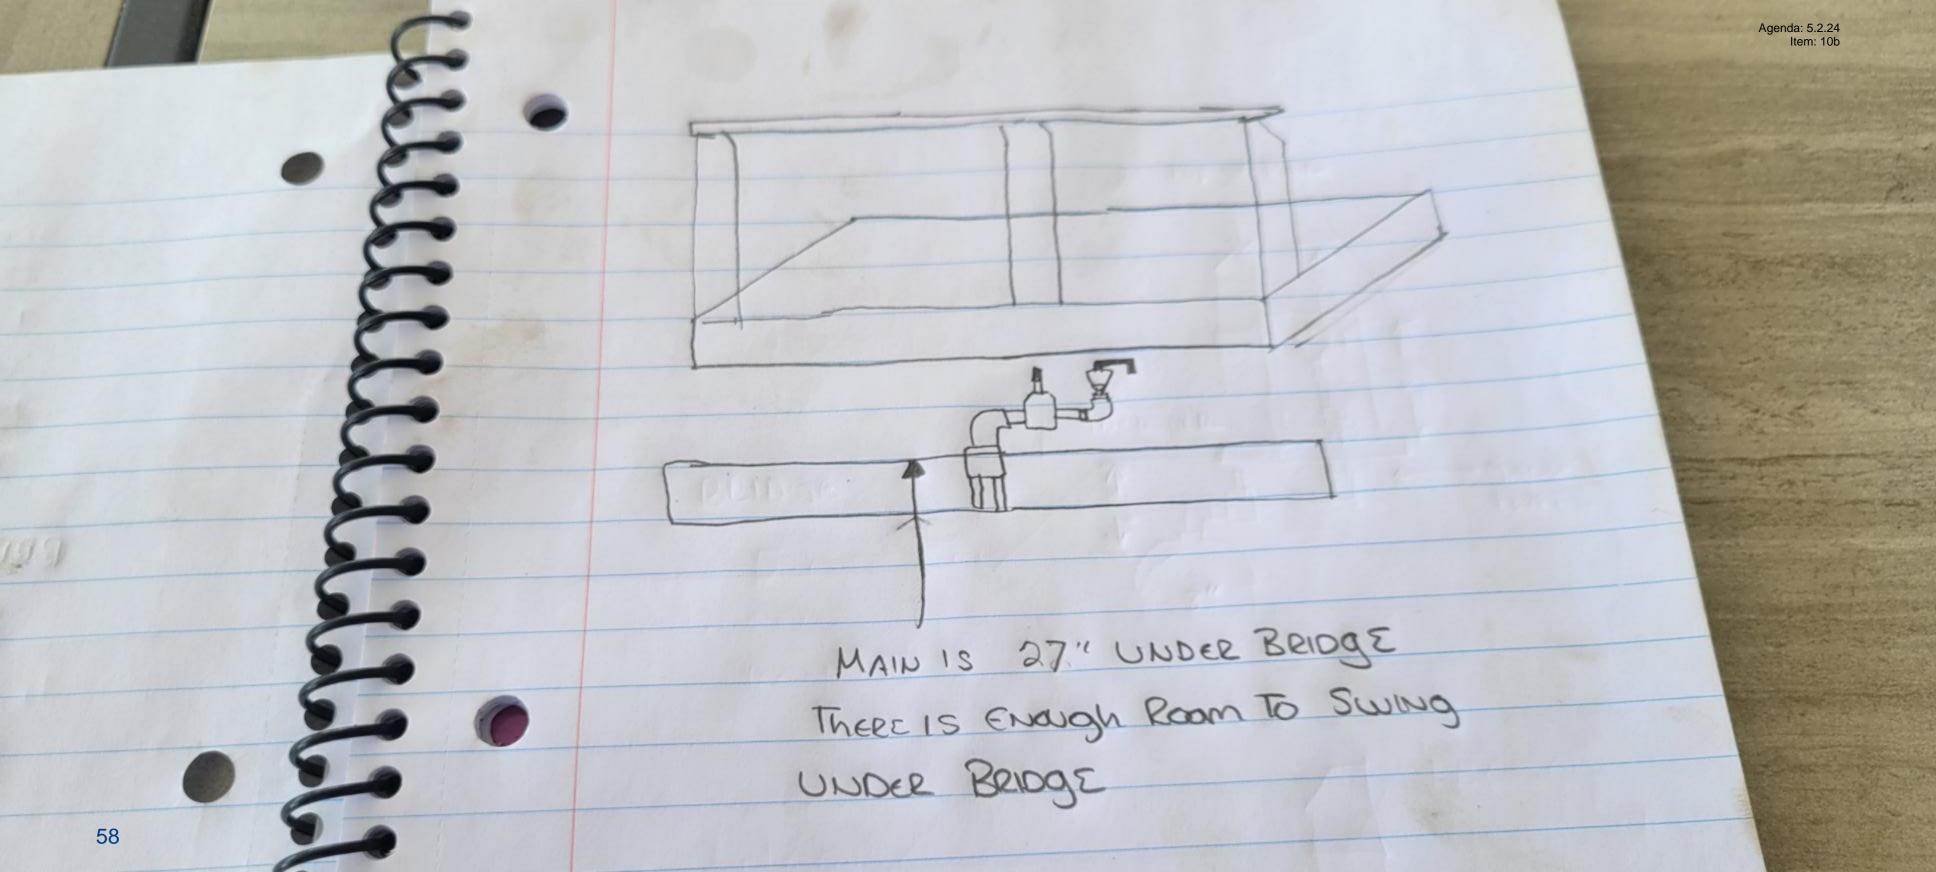

The ARV enclosure is 2-3 weeks from delivery. MPE is looking for direction from the District whether to keep the ARV enclosure as directed in a previous RFI, or to modify the existing ARV layout in a way that prevents tampering without an enclosure.

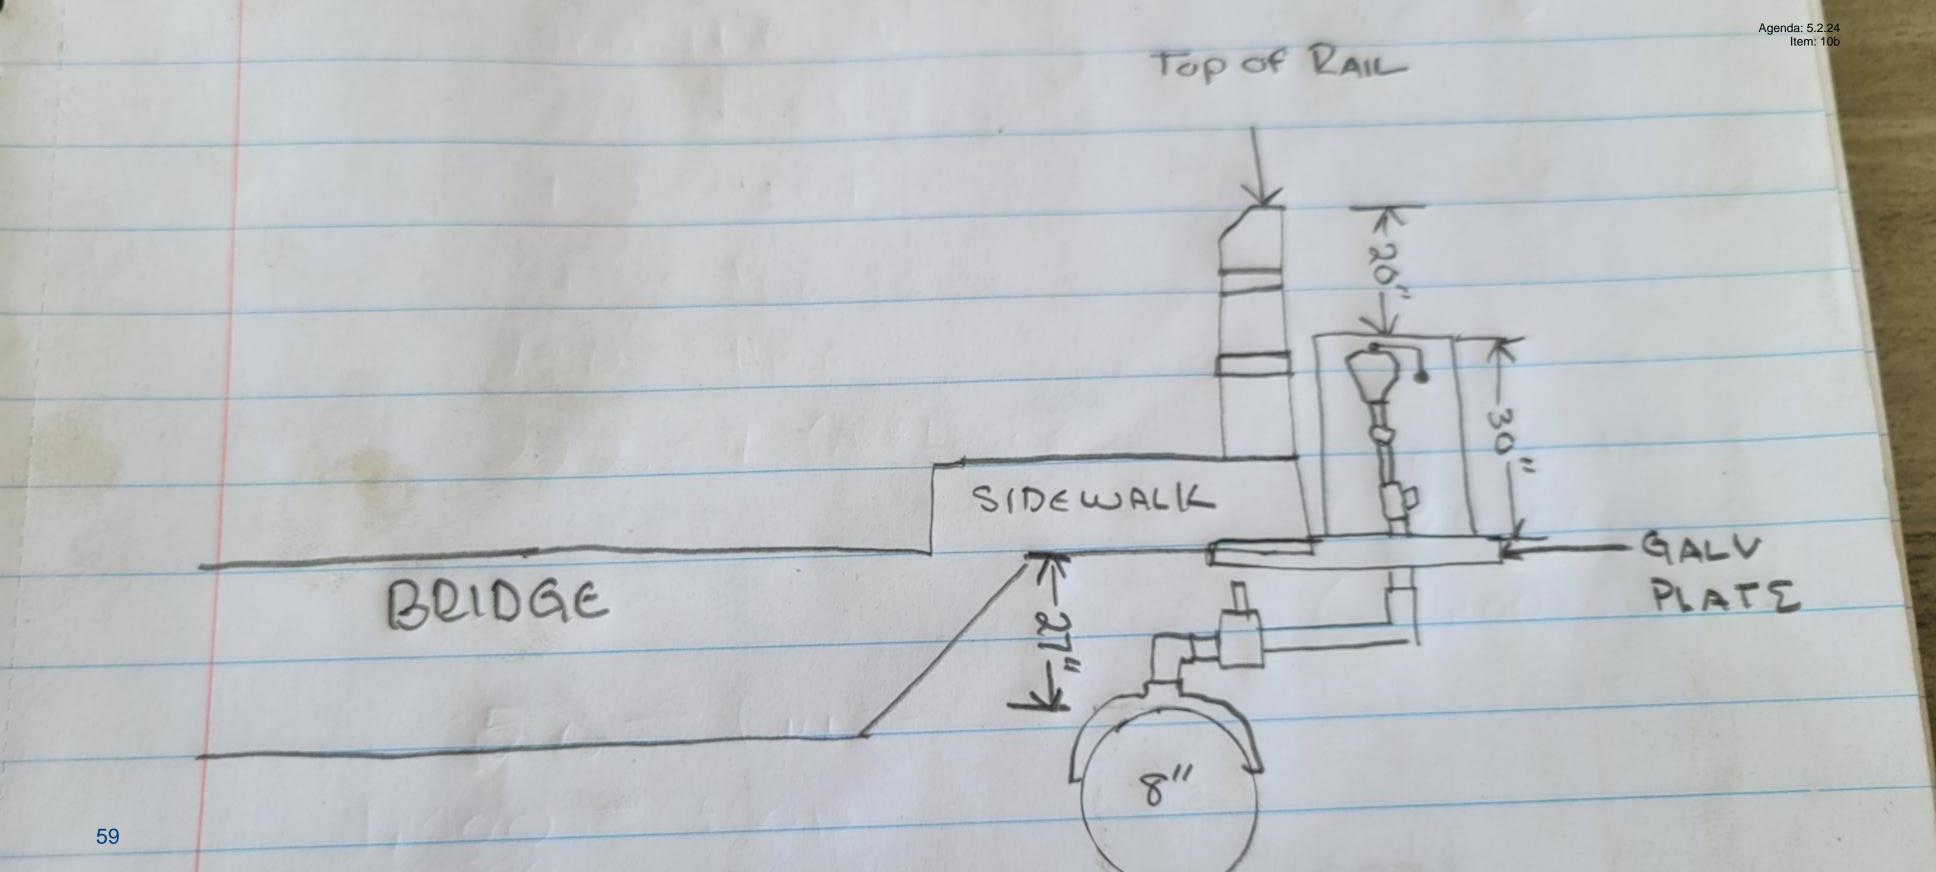

Based on the ARV layout given in the previous RFI response, The ARV cannot be operated without the use of a bridgewalker unit. In order to prevent costly rental fees while waiting for the ARV enclosure to deliver.

SUBMITTED BY Etheline Cimatu

Monterey Peninsula Engineering

Re: Glen Arbor Bridge Pipeline Replacement - PCCO #008.01 – 1" WATER SERVICE

MPE supplied and installed a new 1" water service not called out on the plans. In addition, MPE had to re-install the ARV under the bridge.

Contract Change order

**Total Add: \$4,742.66** 

**Contract Time Extension** 

**Total Days: N/A** 

### M.P.E. specifically excludes the following items:

- Engineering, permits, and/or fees, other than included in original Contract
- All bonds, as-builts, and/or construction staking, other than included in original Contract
- All construction testing, other than included in original Contract
- SWPPP installation and/or maintenance, other than included in original Contract
- Any items not specifically listed above

Please review the above proposal and, if acceptable, issue a change order for the work described. If you have any questions, please feel free to contact me by phone at (831) 277-4191, or by email at <a href="mailto:peterbmpe@gmail.com">peterbmpe@gmail.com</a>.

WORK PERFORMED AT THE DIRECTION OF:

November 3, 2023

**San Lorenzo Valley Water District** 13060 Hwy 9. Boulder Creek, CA 95006

### Re: Glen Arbor Bridge Pipeline Replacement - PCCO #010.00 – PEDESTRIAN GUARD RAIL

MPE supplied and installed pedestrian guard rail to prevent unwanted access underneath the bridge per district direction

Contract Change order

**Total Add: \$850.00** 

Contract Time Extension

**Total Days: 1** 

### M.P.E. specifically excludes the following items:

- Engineering, permits, and/or fees, other than included in original Contract
- All bonds, as-builts, and/or construction staking, other than included in original Contract
- All construction testing, other than included in original Contract
- SWPPP installation and/or maintenance, other than included in original Contract
- Any items not specifically listed above

Please review the above proposal and, if acceptable, issue a change order for the work described. If you have any questions, please feel free to contact me by phone at (831) 277-4191, or by email at <a href="mailto:peterbmpe@gmail.com">peterbmpe@gmail.com</a>.

Sincerely,

Peter Bruno

**Peter Bruno**

### Re: Glen Arbor Bridge Pipeline Replacement - PCCO #012.00 – DVE TRAFFIC CAMERA INSTALL

MPE was not allowed to install loops on the bridge deck. The District directed MPE to install a camera system. The camera system was installed as soon as the camera system was delivered and the weather was dry. Credit for the loops \$3,500.00.

Contract Change order

**Total Change: \$21,194.50** 

**Total Credi: (\$3,500.00)** 

**Total: \$17,694.50** 

Contract Time Extension

**Total Days: 90** 

### M.P.E. specifically excludes the following items:

- Engineering, permits, and/or fees, other than included in original Contract
- All bonds, as-builts, and/or construction staking, other than included in original Contract
- All construction testing, other than included in original Contract
- SWPPP installation and/or maintenance, other than included in original Contract
- Any items not specifically listed above

Please review the above proposal and, if acceptable, issue a change order for the work described. If you have any questions, please feel free to contact me by phone at (831) 277-4191, or by email at <a href="mailto:peterbmpe@gmail.com">peterbmpe@gmail.com</a>.

Sincerely,

Peter Bruno

January 5, 2024

**San Lorenzo Valley Water District** 13060 Hwy 9. Boulder Creek, CA 95006

Re: Glen Arbor Bridge Pipeline Replacement - PCCO #014.01 – INVESTIGATE MISSING WATER LINE IN HIGHWAY 9

After the landslide occurred on highway 9, SLV was unable to shut off their water line. SLV thought they may have had an existing line that the location was unknown. The District instructed MPE to search for the missing waterline.

Contract Change order

Total Add: \$49,441.74

Contract Time Extension

**Total Days: 5** 

### M.P.E. specifically excludes the following items:

- Engineering, permits, and/or fees, other than included in original Contract
- All bonds, as-builts, and/or construction staking, other than included in original Contract
- All construction testing, other than included in original Contract
- SWPPP installation and/or maintenance, other than included in original Contract
- Any items not specifically listed above

Please review the above proposal and, if acceptable, issue a change order for the work described. If you have any questions, please feel free to contact me by phone at (831) 277-4191, or by email at <a href="mailto:peterbmpe@gmail.com">peterbmpe@gmail.com</a>.

Sincerely,

Peter Bruno

### SHORT PAY POLICY:

Our philosophy of total customer satisfaction can be summarized with the following statement If you are not satisfied for any reason...don't pay us for it

That means that if any part of this invoice is incorrect or if you were unhappy with the products or services received from this transaction, let us know right now. Simply scratch out the related line item, write a brief note about the problem, and return a copy of this invoice along with your check for the remaining balance. Someone will contact you immediately to resolve the problem.

### TERMS AND CONDITIONS

For purchases of natural stone, brick, wallboard, color additives, and sacked goods, all sales are final and no returns, exchanges, or refunds allowed. For all special orders, all sales are final and no returns, exchanges, or refunds allowed. For all other purchases, returns, exchanges and refunds will be allowed only after the assessment of a 15% restocking charge plus any additional return fee assessed by the original product vendor, and only upon presentation of the original receipt for such materials. Under no circumstances will Graniterock accept liability for consequential damages. Natural stone and rock are products of nature and are not man-made. They contain irregularities in color, shape, and size. Please make your selection carefully, as Graniterock is unable to guarantee consistency in and takes no responsibility for variations in color, texture, shape, or size. In addition, natural stone and rock products are subject to natural weathering, and Graniterock takes no responsibility for such weathering after installation. Graniterock is not responsible for overloaded vehicles, damage due to loading, damage due to hauling, and/or loads not properly tied down. Graniterock is not responsible for your transport or hauling of product in your own vehicle. Hauling and loading thereof may cause damage to your vehicle. If you choose to transport or haul product in your own vehicle, you do so at your own risk. Graniterock is not liable for cosmetic or other damage to commercial or personal vehicles used to haul our products. Graniterock reserves the right to refuse to load any vehicle if deemed unsafe, inappropriate or unable to load. Graniterock delivery drivers will endeavor to place material where designated by the customer, but Graniterock will not deliver to a location that is unsafe and reserves the right to refuse delivery over hazardous or unsafe terrain. Excess unloading time will be charged at the prevailing rate. Graniterock can provide all product expertise and product knowledge it has access to, but customers are solely responsible for the accuracy of their project estimates and Graniterock accepts no responsibility for the accuracy of such estimates. Customers will be charged a deposit for use of pallets. A per pallet refund will be issued, only for pallets purchased from Graniterock and returned. An original receipt is required for pallet refunds and returns.

### SHORT PAY POLICY:

Our philosophy of total customer satisfaction can be summarized with the following statement: If you are not satisfied for any reason . . . don't pay us for it

That means that if any part of this invoice is incorrect or if you were unhappy with the products or services received from this transaction, let us know right now. Simply scratch out the related line item, write a brief note about the problem, and return a copy of this invoice along with your check for the remaining balance. Someone will contact you immediately to resolve the problem.

### **MEMO**

**DATE:** May 2, 2024

TO: Board of Directors, San Lorenzo Valley Water District

**FROM:** Brian Frus, Interim General Manager

**SUBJECT:** Bracken Brae and Forest Springs Consolidation -

Phase 1 Pipeline Project

**WRITTEN BY:** Garrett Roffe, Engineering Manager

PRESENTED BY: Garrett Roffe, Engineering Manager

### STAFF RECOMMENDATION

The Board of Directors directs the Interim General Manager to solicit construction bids for the Bracken Brae and Forest Springs Consolidation - Phase 1 Pipeline project and to fund the construction with a combination of the remaining grant money from the Department of Water Resources' Small Community Drought Relief Program and District Reserves.

### RECOMMENDED MOTION

The Board Directs the Interim General Manager to:

- Solicit construction bids for the Bracken Brae and Forest Springs
   Consolidation Phase 1 Pipeline project; and
- Fund the project using a combination of the remaining grant money from the Department of Water Resources' Small Community Drought Relief Program and District Reserves.

### **BACKGROUND**

The San Lorenzo Valley Water District (District) looks to consolidate two small water systems owned by Forest Springs Improvement and Maintenance Association (128 connections, pop 385), and Bracken Brae Country Club (24 connections, pop 54), to provide a safe and reliable water supply to the customers served by these two systems. Both water systems were severely impacted by the 2020 CZU Lightning Complex Fire and have requested consolidation. On October 7, 2021, the Board of Directors directed the District Manager to begin negotiations with Bracken Brae and Forest Springs immediately regarding consolidation while awaiting the outcome of a grant application. On November 10, 2021, the Board of Directors was notified that the State Department of Water Resources (DWR) approved the grant application and awarded the District \$3.2 million for consolidation interties with Bracken Brae and Forest Springs. On May 5, 2022, the Board of Directors authorized the signing and sending of the Bracken Brae and Forest Springs Letters of Intent to Consolidate. On May 5, 2022, the Board authorized the District Manager to enter into a contract with Sandis Civil Engineers (Sandis) for the development of the plans and specifications for the consolidation of Bracken Brae and Forest Springs mutual water companies. In addition, Bracken Brae has been allocated \$1.25 million in FEMA funding to make upgrades and repairs to their portion of the system.

The consolidation costs to date total \$841,500. These include environmental compliance and permitting, water service agreements, engineering design, and legal fees. Of these costs, \$550,000 has been funded by the awarded DWR grant. This leaves \$291,500, of which approximately \$140,000 will not be eligible for reimbursement and the

remaining \$151,500 is pending approval. In addition, Bracken Brae will refund the District \$65,000 in engineering design fees reducing District unreimbursed costs to \$85,000. Sandis has provided the initial plans, specifications, and engineer's construction cost estimate for construction of the entire consolidation project: connecting to the District's existing system, the new pump station and the new water mainline through each of the mutuals excluding the storage tanks. The engineer's estimate for this work totals \$12.8 million and far exceeds the District's remaining grant funds and those obtained by Bracken Brae. To further the project on time to avoid losing the awarded grant funding; District staff has developed a reduced scope of work with Sandis that comprises a logical subset of the whole both from an operational and engineering standpoint.

### Reduced Scope Plans - Boulder Brook to West Park and Ridge Drive

The funding agreement from the Department of Water Resources' Small Community Drought Relief Program requires all work to be completed by December 31, 2024, absent any time extensions. Sandis has provided a detailed estimate of just under \$3 million for the construction costs to install the new Phase 1 pipeline which extends from the intersection of Boulder Brook Drive and Highway 236 to West Park Avenue and Ridge Drive (Please see Figure 1). The reduced scope of work will start with the connection to the new Lyon and Big Steel Zone Pipeline Improvements project, currently in construction, and replace existing District pipelines in Highway 236 and West Park Avenue which are currently undersized by District standards. New fire hydrants will be installed along the alignment and existing customer service connections and side street laterals will be reestablished to the new mainline as part of this project. District staff will budget an additional thirty percent of the contractor's bid for District costs

including construction testing, labor compliance, construction oversight, and possible change orders. Because an equal portion of the Phase 1 Project scope can be attributable to the upgrades to the District's system irrespective of the consolidation effort, staff requests Board approval to use District reserves to fund any project costs that exceed the remaining grant funds to complete the reduced Phase 1 Project scope.

### **ENVIRONMENTAL REQUIREMENTS**

Pursuant to Title 14, the California Code of Regulations, Section 15302(c) of the California Environmental Quality Act ("CEQA") guidelines, the proposed action is an administrative activity of the District that will not result in direct or indirect physical changes to the environment.

### PRIOR COMMITTEE ACTION

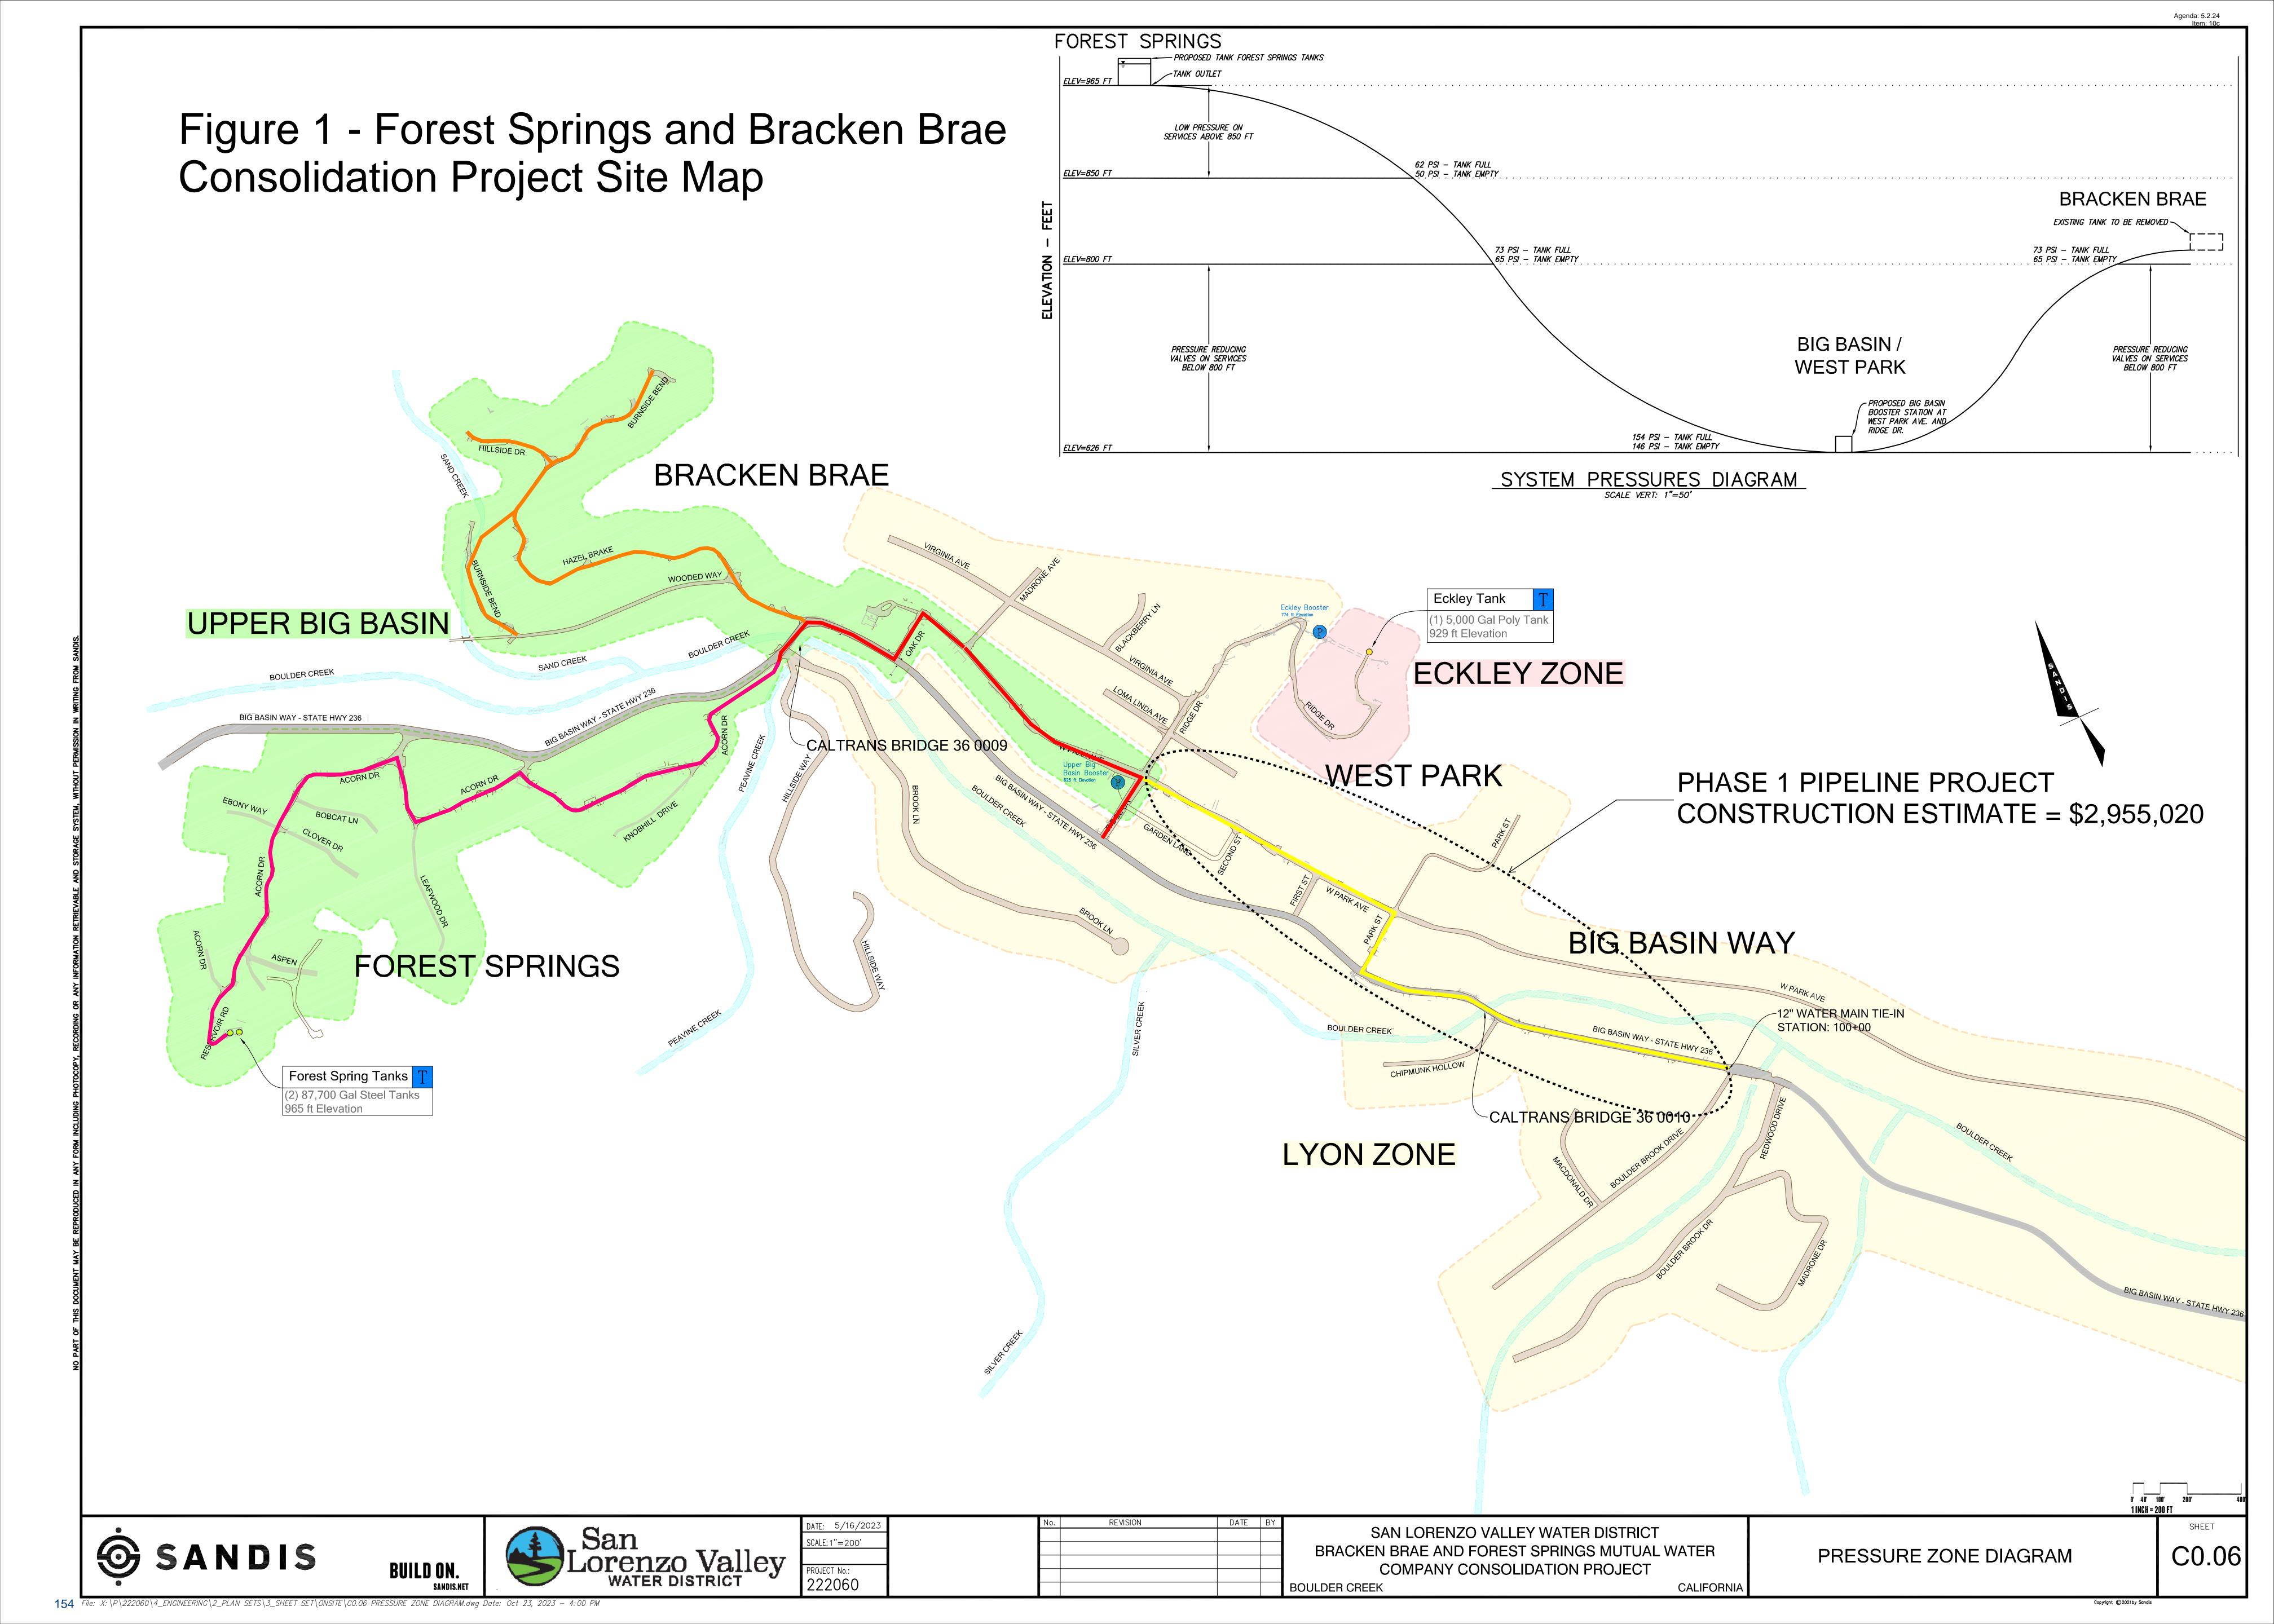

None

### FISCAL IMPACT

There is approximately \$2.5 million remaining in the DWR grant funds and the estimated total cost of the Phase 1 project is \$3.9 million taking into account all contingencies. Thus, the requested commitment from the District is \$1.4 million which is less than half the total estimated project cost. Staff has verified that there are sufficient funds in reserves to cover the expenses.

## BOARD OF DIRECTORS SAN LORENZO VALLEY WATER DISTRICT SPECIAL MEETING MINUTES APRIL 18, 2024

<u>Thursday, April 18, 2024, at 5:30 p.m.</u>, SLVWD Conference Room, 12788 Highway 9, Boulder Creek, CA, and via videoconference and teleconference

1. **Convene Meeting** 5:31 p.m. Roll Call

**Board Members Present:** 

Jeff Hill, President Jayme Ackemann, Vice President Bob Fultz, Director Gail Mahood, Director Mark Smolley, Director

### Staff Present:

Christina Pritchard, District Counsel\* Holly Hossack, District Secretary Scott Mattoch, Network Specialist Brian Frus, Interim General Manager

\*Attended remotely

- 2. Changes to Closed Session Agenda: None
- 3. Oral Communications Regarding Items in Closed Session:
  - N. Launder-Berridge addressed the Board.
  - B. Holloway addressed the Board.
- 4. **Adjournment to Closed Session:** 5:39 p.m.
- 5. **Re-Convene Meeting**: 6:30 p.m. Roll Call
- Board Members Present:
  Jeff Hill, President
  Jayme Ackemann, Vice President
  Bob Fultz, Director
  Mark Smolley, Director

Gail Mahood, Director left the meeting at 6:30 p.m.

A motion was made and seconded to excuse Director Mahood.

The motion passed unanimously.

### Staff Present:

Christina Pritchard, District Counsel\*
Holly Hossack, District Secretary
Scott Mattoch, Network Specialist
Brian Frus, Interim General Manager
Garrett Roffe, Engineering Manager
Carly Blanchard, Environmental Programs Manager & Admin Analyst
Jennifer Torres, District Secretary
Heather Ippoliti, Interim Director of Finance\*

### 6. Report of Actions Taken in Closed Session:

No reportable action was taken.

- 7. Changes to the Agenda: None
- 8. Oral Communications:
  - B. Holloway, Boulder Creek, addressed the Board.
- 9. Unfinished Business:
  - a. <u>AMENDED AND RESTATED AGREEMENT FOR PROFESSIONAL</u> SERVICES WITH RAFTELIS
  - H. Ippoliti introduced and explained this item.

Discussion by the Board regarding:

Quantitative justification and deliverables

A motion was made and seconded to:

- 1. Directs the Interim General Manager to enter into an amended and restated agreement with Raftelis in an amount not to exceed \$119,120 for the completion of the 2023 Rate Study; and
- 2. Authorizes the Interim General Manager to execute extensions and/or non-substantive modifications to the Agreement, as necessary.
- B. Holloway, Boulder Creek, addressed the Board.
- N. Launder-Berridge addressed the Board.

<sup>\*</sup>Attended remotely

The motion passed three to two, B. Fultz voting No and G. Mahood absent

### 10. New Business:

a. <u>2021 CIP PIPELINE REPLACEMENT PROJECT - CHANGE ORDERS</u> G. Roffe introduced and explained this item.

Discussion by the Board regarding:

- Cost of fire hydrants
- Meter locations
- Valve abandonment
- Project is scheduled to be complete in mid-June
- Five more change orders in negotiations
- · Possibility of additional engineering staff
- B. Holloway addressed the Board.

A motion was made and seconded to: Direct the Interim General Manager to execute:

- 1. Contract Change Orders 17, 18, 19, 20, and 21 for payment to JMB Construction Inc. for the 2021 CIP Pipeline project in the sum of \$73,934, increasing the not-to-exceed contract amount from \$5,143,143 to \$5,217,077, and
- 2. Authorizes the Interim General Manager to execute non-substantive modifications, as necessary.

Motion passed four to one; G. Mahood absent

### b. <u>ALTA VIA PIPELINE REPLACEMENT PROJECT - MONAN WAY</u> CHANGE ORDER

G. Roffe introduced and explained this item. B. Frus added information.

Discussion by the Board regarding:

- Previously reviewed by Engineering and Environmental Committee
- Private Road
- Legal counsel has reviewed

A motion was made and seconded to: Authorize the Interim General Manager to approve Contract Change Order 4 for payment to Anderson Pacific Engineering Construction, Inc. for the Alta Via Pipeline Replacement Project in the sum if \$205,900 increasing the not to exceed contract amount from \$2,569,797 to \$2,775,879.

Motion passed four to one; G. Mahood absent

c. <u>ALTA VIA PIPELINE REPLACEMENT PROJECT - CHANGE ORDERS</u>
G. Roffe introduced and explained this item. B. Frus added information.

Discussion by the Board regarding:

- Previously reviewed by Engineering and Environmental Committee
- Private Road
- Legal counsel has reviewed

A motion was made and seconded to: Authorize the Interim General Manager to approve Contract Change Orders 10 and 11 for payment to Anderson Pacific Engineering Construction, Inc. for the Alta Via Pipeline Replacement Project in the sum of \$123,667.

The motion passed four to one; G. Mahood absent

### d. <u>OUTREACH CONTRACT RENEWAL - MILLER MAXFIELD</u> C. Blanchard introduced and explained this item. B. Frus added information.

K. Brown, Boulder Creek, addressed the Board.

Discussion by the Board regarding:

- Outstanding invoices
- Public Relations agency' information comes from the client
- Contract expiration and costs
- Cost of public relations and outreach employee

A motion was made, seconded and approved to: Direct the Interim General Manager to:

- 1. Enter into an amended and restated agreement with Miller Maxfield, Inc. increasing the not-to-exceed amount by \$150,000 from \$55,255 to \$205,255 for outreach services for FY 24-26; and
- 2. Authorizes the Interim General Manager to execute extensions and/or non-substantive modifications to the agreement, as necessary.

The motion passed three to two, B. Fultz voting No and G. Mahood absent

### e. <u>JULY 2024 BOARD OF DIRECTORS MEETING</u>

B. Frus introduced this item.

Discussion by the Board regarding:

Schedule a Special Board of Directors meeting on July 18, 2024

A motion was made and seconded to: add a Special Board of Directors meetings on July 18, 2024.

The motion passed three to two, J. Ackemann abstained and G. Mahood absent

### 11. Consent Agenda:

- b. LOCAL HAZARD MITIGATION PLAN CONTRACT AWARD
- c. MID-YEAR BUDGET REVIEW
- e. <u>BOARD MEETING MINUTES 3.21.24</u>

A motion was made and seconded to: approve the Consent Agenda items that have not been pulled.

The motion passed four to one; G. Mahood absent

Pulled from the Consent Agenda:

### a. PEAVINE HAZARDOUS TREE MITIGATION

Discussion by the Board regarding:

Bidding

K. Brown, Boulder Creek, addressed the Board.

A motion was made, seconded, and approved for: the Interim General Manager to enter into an agreement with the California Conservation Corps for Hazardous Tree Mitigation for the Peavine Pipeline Replacement Project.

The motion passed four to one; G. Mahood absent

### d. <u>STATE REVOLVING FUND APPLICATION-FOREST SPRINGS</u> <u>CONSOLIDATION PHASE II</u>

C. Blanchard introduced and explained this item.

Discussion by the Board regarding:

- District requesting money from the State
- Planning and design only
- \$60,000 per connection
- Total cost unknown at this time
- \$3.2 million; \$1 million for Forest Springs and Bracken Brae tanks
- Bracken Brae and Forest Springs to attend future meetings

N. Launder Berridge, addressed the Board.

A motion was made, seconded, and approved to: Adopt Resolution No. 13 to:

- 1. Assigning the Interim General Manager as the Authorized Representative for the State of California Water Resources Control Board's Clean Water State Revolving Fund (CWSRF) planning and application; and
- 2. Approving the required State of California Water Resources Control Board Authorized Representative Resolution which must accompany the CWSRF planning application.

The motion passed four to one; G. Mahood absent

### 12. **District Reports**:

- DEPARTMENT QUARTERLY STATUS REPORTS
   Receipt and consideration by the Board of Department Quarterly Status
   Reports regarding ongoing projects and other activities.

    - Felton Heights tank in design- Geotech report for actual tank site
    - Infrastructure Grants
    - Conjunctive Use-EIR
    - Water shortage Stage 1 removal
    - Past due accounts to tax roll
- 13. Written Communication: None
- 14. **Informational Material**: None
- 15. **Adjournment:** 8:13 p.m.

**DATE:** May 2, 2024

**TO:** Board of Directors, San Lorenzo Valley Water District

**FROM:** Brian Frus, Interim General Manager

SUBJECT: General Manager's Supplemental Report - Big Basin Water

Company

WRITTEN BY: Brian Frus, Interim General Manager

PRESENTED BY: Brian Frus, Interim General Manager

### STAFF RECOMMENDATION

The Board of Directors accepts the General Manager's supplemental report.

### **BIG BASIN WATER COMPANY UPDATE**

- Supervisor McPherson is planning to host a Town Hall with the Big Basin Water Company (BBWC) receivership representative Nicolas Jaber on May 15 at the Boulder Creek Fire District. It is anticipated that the hybrid meeting will be attended by representatives from the State Water Resources Control Board, LAFCO, the PUC, and state and federal elected officials representing the region. The Interim General Manager and District Board members were invited to attend.
- Supervisor McPherson also requested a meeting with the District earlier the same day with him and Mr. Jaber to discuss how to best make of the state funding recently secured by the County to assist the BBWC.

A motion was made, seconded, and approved to: Adopt Resolution No. 13 to:

- 1. Assigning the Interim General Manager as the Authorized Representative for the State of California Water Resources Control Board's Clean Water State Revolving Fund (CWSRF) planning and application; and
- 2. Approving the required State of California Water Resources Control Board Authorized Representative Resolution which must accompany the CWSRF planning application.

The motion passed four to one; G. Mahood absent

### 12. **District Reports**:

- DEPARTMENT QUARTERLY STATUS REPORTS
   Receipt and consideration by the Board of Department Quarterly Status
   Reports regarding ongoing projects and other activities.
  - Engineering
  - Environmental
  - o Finance
  - Operations
  - General Manager
  - B. Frus presented General Manager report.
    - Rate increase- April billing
    - Fall Creek Fish Ladder- chain link fence
    - Emergency Planning
    - Cyber Security
    - Tank in Redwood Park in design
    - Felton Heights tank in design- Geotech report for actual tank site
    - Infrastructure Grants
    - Conjunctive Use-EIR
    - Water shortage Stage 1 removal
    - Past due accounts to tax roll
- 13. Written Communication: None
- 14. **Informational Material**: None
- 15. **Adjournment:** 8:13 p.m.

 President Jeff Hill and the Interim District Manager will attend both the pre-meeting and the town hall meeting to listen attentively and answer any questions.

- Because BBWC has some funding to begin necessary feasibility studies, is it receivership would like some guidance from the district to make sure that the steps that they are following could potentially lead to consolidation. This is of course provided that the receivership can continue to garner the necessary funds to do so.
- District counsel advised that affiliation could be framed with the receivership under a reimbursement and collaboration agreement.
   This way the District would be reimbursed for staff time and the receivership could be guided down a discernable path forward.
- District staff will work with counsel and the receivership to put together such an agreement and bring it back to the Board for approval.

### MINUTES OF BUDGET & FINANCE COMMITTEE MEETING APRIL 10, 2024

**Wednesday, April 10, 2024, 2:00 p.m.**, SLVWD Conference Room, 12788 Highway 9, Boulder Creek, and via video/teleconference.

### **MINUTES**

1. Convene Meeting: Roll Call

Committee Members - Present Gail Mahood, chair Jeff Hill Jim Bahn Skye Herrick

Staff - Present

Brian Frus, General Manager
Garrett Roffe, District Engineer
Heather Ippoliti\*, Interim Director of Finance and Business Services
Scott Mattoch, Network Specialist
Holly Hossack, District Secretary

### 2. Oral Communications:

B. Holloway, Boulder Creek, addressed the Committee.

### 3. New Business:

### a. PROJECT FUNDING REALLOCATION

H. Ippoliti introduce and explained this item.

Discussion by the Committee regarding:

- Engineering project change orders
- Additional Engineers to the staff
- Budgeting
- Cost of Harmon St. change orders
- Higher estimates rather than change orders

<sup>\*</sup>attended virtually

- Explanation of Labor Compliance
- Duties of Engineer of Record
- Completion of project before school starts in the fall
- B. Holloway addressed the Committee.

A motion was made and seconded for the Budget and Finance Committee to recommend that the Board of Directors approve the changes to the project funding as proposed in the staff memo.

b. REVISIT DATE OF BUDGET & FINANCE COMMITTEE MEETINGS
H. Hossack introduced and explained this item.

The Committee decided not to change the day or time of the Committee meetings.

- 4. **Unfinished Business**: None
- 5. **Adjournment**: 2:33 p.m.

### MINUTES ENGINEERING/ENVIRONMENTAL COMMITTEE MEETING APRIL 16, 2024

**Tuesday, April 16, 2024, 2:00 p.m.**, SLVWD Conference Room, 12788 Highway 9, Boulder Creek, and via video/teleconference.

### **MINUTES**

1. Convene Meeting 2:03 p.m. Roll Call

Committee Members present Mark Smolley, Chair Jeff Hill Ken Lande\* Jeff Schmelter

\*attended virtually

### Staff present

Brian Frus, Interim General Manager
Carly Blanchard, Environmental Programs Manager, Admin Analyst
Chris Klier, Environmental Planner I
Garrett Roffe, Engineering Manager
Scott Mattoch, Network Specialist
Holly Hossack, District Secretary
Jen Torres, District Secretary
Joel Scianna, Assistant Engineer

- 2. Oral Communications: None
- New Business:
  - a. ROBSON HOMES PRESENTATION

C. Blanchard introduced this item.

Mark Robson of Robson Homes gave presentation about the Valley Gardens Development Project.

b. VALLEY GARDENS DEVELOPMENT PROJECT - WILL-SERVE LETTER

### G. Roffe introduced this item.

Discussion by the Committee regarding:

- SV (Recycled) and SLV (Potable) Water
- Lockewood Lane pipe size
- Recommended upgrades
- Akel recommendations
- Mobile Home Park pipe size
- Golf Course has been closed since 2019
- Installation of service laterals & meters
- Contractor owns laterals
- District owns meters; maintain and operate
- Changes to Akel's narrative on findings to be more specific
- Existing wells connected directly to SMGW Aguifer
- Status of permit process in SV applications
- · Staff involvement and costs associated with project

R. Moran addressed the committee.

K. Lande addressed the committee.

A motion was made and seconded that the Committee recommends the Board to approve the Valley Gardens Development Project- Will Serve Letter.

The motion passes unanimously.

### c. <u>VALLEY GARDENS DEVELOPMENT PROJECT - MITIGATION CREDITS</u> C. Blanchard introduced this item.

Discussion by the Committee regarding:

- Mitigation in watershed
- J. McGraw explained mitigation of endangered species
- Ongoing- seeing, plant removal, invasive plant control, disease, drought, etc.
- Proposed fee of \$1.9 million guestioned
- Timeline- SLVWD Restoration Phase
- Reasonable costs- easement fence; management, monitoring, and reporting
- Annual reports on website

### R. Moran addressed the committee.

A motion was made and seconded that the Committee recommends the Board to approve the Valley Gardens Development Project- Mitigation Credits.

The motion passes unanimously.

- 4. **Unfinished Business**: None
- 5. **Adjournment** 3:02 p.m.

### MINUTES ADMINISTRATION COMMITTEE MEETING APRIL 17, 2024

**Wednesday, April 17, 2024, 3:00 p.m.**, SLVWD Conference Room, 12788 Highway 9, Boulder Creek, and via video/teleconference.

### **MINUTES**

Convene Meeting 3:06 p.m.
 Roll Call

**Committee Members Present** 

Dir. Ackemann, Chair- absent/unexcused Dir. Fultz

Dir. Fuitz Mark Dolson

Staff Present

Brian Frus, General Manager Holly Hossack, District Secretary Scott Mattoch, Network Specialist Jen Torres, District Secretary

- 2. Oral Communications
  - B. Holloway addressed the committee.
- New Business: None
- 4. Unfinished Business:
  - a. <u>BOARD POLICY MANUAL 2024</u>
    - B. Fultz began the discussion regarding Board Policy Manual
      - B. Frus introduced and explained staff recommendations
      - M. Dolson expressed no objections
      - Re-litigation of already decided agenda items Pg. 12
    - B. Holloway addressed the committee.
    - 3:27 p.m. B. Frus left the meeting.

- M. Dolson requested word "re-litigate" be removed and replaced with "repeat" on Pg. 12
- B. Fultz requested clarification of language differences of lines 6 & 7 on Pg. 13
- B. Fultz asked what the sanctions are on Pg. 13
- B. Fultz expressed concern over the broadness of set rates/fees subject to Prop 218
- B. Fultz was concerned about Executive Functions, the word "any" removed on Pg. 15
- B. Fultz asked if Quasi-Judicial functions is repetitive and should be combined with public complaints in section K, Pg. 12
- B. Holloway addressed the committee.
- 5. **Adjournment** 4:00 p.m.

Board of Directors, San Lorenzo Valley Water District April 3, 2024

Re: Item 10d Outreach Contract M2 on Board Agenda April 4

I am opposed to the district's proposed contract of \$205,255 for services of the PR firm Miller Maxfield. I'd like the board to use this firm only as needed until a more suitable PR firm can be hired, at a more reasonable cost.

Public relations for a government agency is different than marketing a brand or selling a product. A good district PR policy values transparency, integrity, education, and working respectfully with the public to maintain trust.

San Lorenzo Valle...

San Lorenzo Valley Water
District Board Proposes Rate
Increase in Response to Fire
and Storm Recovery Costs »

Typical customer would see an increase of 2% in the first year

Miller Maxfield has come under scrutiny under past boards for not delivering to these standards and were dropped to go with other

more government-aligned PR firms. I believe it is time to do so again.

As an example, I believe the recent Proposition 218 campaign significantly understating the increase for most customers is shameful, and a good example of opting out of the goals above to attain short term success in getting the rate increase approved, at the expense of a large increase in public disfavor and distrust of the district.

The public outreach meeting in February seemed thrown together, with little polish and little to offer. There were no Protest Ballots set out inside the forum for the public, nor information on how to submit them, to round out the proposal in full.

This did not appear up to the standards and accountability of a water district of our size.

I encourage the board to find a PR firm who is interested in quality education and gaining public trust. Thank you for reconsidering your objectives. I believe district customers deserve this respect.

Sincerely,

Debra Loewen Lompico Canyon
