

Toilet Credit Application for Approval

San Lorenzo Valley Water District (SLVWD) offers credits to residential customers that install a qualifying Ultra High Efficiency Toilet or a High Efficiency Toilet. Replacement toilets must be EPA WaterSense-approved to qualify for a credit. Please see our website at www.slvwd.com for more information on toilet replacement or call (831) 338-2153 for assistance.

This credit requires a post-installation inspection and toilet removal by SLVWD staff. Please read all the Credit Program Requirements on the back side of this application. All credit applications require the signature of the property owner (if different than the applicant).

Indicate the toilet credit type and the total purchase price for all eligible parts and materials (excluding sales tax and labor). Complete the Account & Applicant Information below.

Toilet Credit Type	Credit Amount	# of Toilets	Purchase price of qualified parts	Manufacturer name (s) & model(s)
Replace 3.5 gpf or more Toilet with High or Ultra High (1.28 gpf or less) Toilet	Up to \$200			
Replace 1.6 gpf Toilet with Ultra High (1.0 gpf or less) Toilet	Up to \$75			

** Maximum \$600 per household*

**All Dual Flush Toilets must be 1.28 gpf or less*

Residential Toilet – Credit Application: Rules & Requirements

1. Credit application must be submitted for approval prior to installation. Installation must be complete within 60 days of item(s) purchase. An original, dated sales receipt showing itemized cost for the credited item(s) must be provided. If you need the original receipts(s) returned, please enclose a self-addressed, stamped envelope with your credit application. For online purchases, a print out of the final invoice and an original packing or delivery slip is required. **No retroactive credits will be approved.**
2. All credit applications must be signed by the legal property owner.
3. Credit eligible parts include the toilet tank, bowl, and seat only.
4. The credit is not to exceed the cost of the eligible parts.
5. Only EPA WaterSense approved High Efficiency Toilet (HET) and Ultra High Efficiency Toilet (UHET) are eligible for credits. (All Dual Flush Toilets must be 1.28 gpf or less)
6. **A representative of San Lorenzo Valley Water District (SLVWD) must be permitted to inspect the property to verify proper installation. Old toilets cannot be reused. Participants agree to have the District pick up their old toilet(s) upon inspection. The applicant is solely responsible for removing the toilet hardware before District pick up of their old toilet (s).**
7. The maximum number of toilets credited is limited to the number of qualifying toilets in the household.
8. No credit will exceed the purchase price of the item(s) or materials(s). Sales tax and labor are not credited.
9. The credited equipment must be installed in an existing SLVWD service address and must be installed prior to credit request. New development is not eligible for credits.
10. Credits are applied as a credit that will appear on a subsequent water bill. The account must be in good standing to receive a credit. Upon closing an account, any credit balance will be mailed to the account holder. Allow four weeks from the date of approval for credit processing.
11. You will be issued a check in lieu of a credit if: (1) your SLVWD water service is in the name of your Home Owner’s Association or Condominium Board and you are the legal property owner of your dwelling unit; or (2) you are the legal property owner (but not the account holder) and you purchased the credited item(s) for your rental property.
12. Installation of any credited device, appliance or fixture is the sole responsibility of the applicant, as is determination of the adequacy and compatibility of the existing plumbing system.
13. SLVWD does not endorse specific brands, products or dealers; nor does it guarantee materials or workmanship; acceptance of such is customer’s responsibility.
14. SLVWD assumes no responsibility or liability for any damage that may occur to an applicant’s property as a result of participation in the program. Due to circumstances beyond its control, SLVWD cannot guarantee that installation of credited fixtures or measures will result in lower utility costs.
15. The applicant is solely responsible for the proper disposal of all materials associated with the installation of credited fixtures and equipment and SLVWD assumes no responsibility or liability. Please recycle materials.
16. SLVWD may at any time, modify, suspend, or terminate this program without prior written notice.
17. Incomplete or illegible application will be denied.

I have read, understand, and agree to the Credit Program Rules & Requirements as stated above.
